Montana Western's Zach McCarthy Named Frontier Conference Athletic Trainer of the Year

Montana Western Athletic Trainer Zach McCarthy was recognized as the 2025-26 Frontier Conference Athletic Trainer of the Year, the league office announced Thursday.

McCarthy was honored for his commitment to student-athlete health, safety, and performance.

"I'm very honored to receive this award," McCarthy said. "Although it says my name on the front, I believe this is a staff award. I couldn't do the job I do without my two colleagues Nate (Schieffert) and Savannah (Lyver). I'm proud to be an athletic trainer and to work with them. I want to say thank you to the committee that nominated me, but most importantly, thank you to all the Western staff. Coaches, and athletes as well. Go Dawgs!"

McCarthy joined the Montana Western athletic training staff in 2017, and has since earned a reputation for outstanding care in injury prevention, rehabilitation, and more. Since coming to UMW, he has helped countless student-athletes remain healthy and competitive in their respective sports.

In his time with the Bulldogs, McCarthy has worked with every athletic program, including playing a key role in Montana Western women's basketball's NAIA national championship-winning season in 2018-19.

McCarthy has continued to elevate his care with additional advanced trainings and certifications, including blood flow restriction therapy, cupping therapy, and Graston soft-tissue mobilization techniques.

In addition to his clinical expertise, McCarthy was instrumental in helping Montana Western navigate the challenges of the COVID-19 pandemic, working diligently behind the scenes to protect the health and well-being of student-athletes and staff. His proactive approach, attention to detail, and unwavering dedication have made a lasting impact on the Bulldog athletic department.

Fellow Frontier Conference athletic trainers commented that McCarthy has been an integral part of the league. His work at the national level has benefited the athletic trainers in the conference. He has also been a great host for traveling teams and staff.

The conference athletic trainers added that McCarthy is an extremely nice and respectful person who treats everyone with the utmost care and kindness. He represents and advocates for the profession.

Osteoporosis is a word and condition that many don't pay much attention too until later in life. Dr. Shannon Carpenter, a VA Doctor is really focused on preventing bone fractures before they happen. Everyone builds bone until about the age 30 to 35 and after that we all start losing bone density. It's important to start getting bone scans at 40 and discovering if it has reached our peak bone mass. This is a good time to start talking about bone health. Diet, exercise and lifestyle changes can make a real difference in protecting someone's "bone span"—a term used for how long a person's skeleton will support independence in their life.. Many of us, especially women, have suffered shoulder and hip fractures in our later years of life. For women the menopause transition accelerates bone loss.. Getting a scan can lead to earlier treatment, while medications can rebuild bone. Avoiding a sedentary lifestyle, smoking, excess alcohol, etc., can make a big difference in any of our lives. See your Doctor and get your bone density checked out.

School is out and so are our children as they enjoy their vacation doing many outdoor activities. When you see them walking along the side the road, please slow down and give them the benefit of the doubt, Their future is our future and we want them safe.

Until next time, take care.

FORBES MAGAZINE NAMES STOCKMAN BANK AS MONTANA'S #1 BEST-IN-STATE BANK FOR 2026

Stockman Bank has once again been named to the Forbes list of America's Best-In-State Banks, ranking as the #1 bank in Montana. This prestigious recognition is presented in partnership with Statista, a leading global provider of market data and industry rankings. The award list was announced on June 17, 2026, and will be available on the Forbes website.

The America's Best-In-State Banks 2026 ranking is based on an independent survey of thousands of U.S. consumers, as well as publicly available reviews. To be eligible, banks and credit unions must have received a minimum number of evaluations, with awarded institutions averaging more than 635 evaluations. The ranking focuses on institutions that operate in 14 states or fewer and are not online-only banks, underscoring the importance of strong regional and community-based banking relationships.

"We are honored to be recognized once again as the #1 bank in Montana on the Forbes list of Best-in-State Banks 2026," said Bill Coffee, CEO of Stockman Bank. "This award is particularly special as it reflects the trust our customers place in us every day. It is also a testament to the dedication and expertise of our staff, who are committed to putting the needs of their customers and communities first. Our personalized approach to serving our customers, combined with innovative banking technologies, truly sets us apart from other Montana banks."

Institutions are evaluated based on key criteria including customer satisfaction, trust, financial advice, digital services, terms and conditions, and customer service. Rankings are determined by analyzing overall performance and customer sentiment, with top-performing banks and credit unions in each state recognized. The number of awarded institutions varies by state, based on population size and the number of eligible institutions meeting the evaluation threshold.

Cubs Split Doubleheader with Belgrade Bandits

Jeremy Crawford, Southwestern Montana News

The Dillon Cubs earned a split in their Tuesday doubleheader against the Belgrade Bandits "A" in Belgrade, using a powerful offensive performance to win the opener before falling in game two.

Cubs Take Game One Behind Tackett's Four-Hit Night

Sawyer Tackett put together a perfect day at the plate, collecting four hits in four at-bats as the Dillon Cubs defeated the Belgrade Bandits 12-8 in the opening game of the doubleheader.

Tackett tripled in the second inning, doubled in the first, and added singles in both the fourth and fifth innings to lead a 16-hit offensive attack by the Cubs.

Dillon wasted little time getting on the scoreboard. Andrew Bartlome drove in a run with a single in the top of the first inning before Trenton Moreni followed with a two-run double. Cooper Clarke capped the inning with a sacrifice fly to give the Cubs an early advantage.

The Cubs continued to add to their lead in the second inning when Bartlome singled home another run and Moreni added an RBI sacrifice fly.

Tackett also earned the win on the mound, allowing three runs, two earned, on four hits over three innings while striking out four and walking three. Moreni came on in relief to earn the save.

Moreni drove in three runs to lead the Cubs offense, while Kanin Engelhardt, Bartlome, and Parker Mills each recorded multiple hits.

Belgrade was led by Trace Thomas, who finished 2-for-5 with three RBIs. Thomas, Chance Stephens, Max Zimmer, and Law Preasmyer each collected two hits for the Bandits.

Belgrade Responds in Game Two

The Bandits bounced back in the second game, using a huge second inning to defeat the Cubs.

Belgrade jumped on the board in the first inning when Max Zimmer delivered an RBI triple. The game broke open in the second as the Bandits scored 12 runs, taking advantage of walks, hit batters, timely hits, and a wild pitch.

Among the key plays in the inning were RBI singles from Brayton VanDyken, Law Preasmyer, and Cade Thomas, while several runs scored via walks and hit batters.

Belgrade added three more runs in the third inning on RBI singles from Trace Thomas and Zimmer to extend its lead.

Zimmer earned the victory, allowing just one hit and two runs, one

earned, over five innings while striking out six and walking four.

Andrew Bartlome took the loss for Dillon after Belgrade's explosive start.

Parker Mills accounted for Dillon's lone RBI in game two and finished 1-for-2 at the plate. Defensively, the Cubs played a clean game without committing an error. Bartlome led the team with seven defensive chances.

Zimmer paced the Bandits offense, finishing 2-for-2 with four RBIs. Cade Thomas, Brayton VanDyken, Chance Stephens, and Zimmer each collected two hits as Belgrade totaled 10 hits. The Bandits also showed patience at the plate, drawing 11 walks during the contest.

With the split, Dillon continues its summer schedule and will return home Sunday to host the Salmon Savages Summer League team.

High School Golf Meeting & Practice Announcement

The High School Golf Program invites all interested students and parents to come meet the golf coaches for the upcoming fall season on Tuesday, June 23. We will gather at the golf course at 5:45 p.m. for introductions, a brief question-and-answer session, and an overview of voluntary offseason practice opportunities and expectations.

We understand that summer schedules are busy with vacations, sports, and other activities. Any students or parents who are unable to attend are encouraged to reach out to the coaching staff directly so we can review the information and answer any questions.

Voluntary open range and short-game practice sessions will begin Tuesday, June 30, at 5:45 p.m. at the golf course. We look forward to meeting everyone and helping golfers prepare for a successful season this fall.
