High School Golf Meeting & Practice Announcement

The High School Golf Program invites all interested students and parents to come meet the golf coaches for the upcoming fall season on Tuesday, June 23. We will gather at the golf course at 5:45 p.m. for introductions, a brief question-and-answer session, and an overview of voluntary offseason practice opportunities and expectations.

We understand that summer schedules are busy with vacations, sports, and other activities. Any students or parents who are unable to attend are encouraged to reach out to the coaching staff directly so we can review the information and answer any questions.

Voluntary open range and short-game practice sessions will begin Tuesday, June 30, at 5:45 p.m. at the golf course. We look forward to meeting everyone and helping golfers prepare for a successful season this fall.

Beaverhead Buckaroo's June meeting

Our June meeting was on the 9th at 6:00 at the 4-H building. Our guest speaker was Amber Burch and she talked about weed day which is a day where 4-H kids come and meet at 8A.M. in the high school parking lot and go out and pick weeds all day and that's happening on July 11th. After she spoke we went over our reports. Our total balance for that month was $6,675.16. Our new business was voting on whether to spend money on sponsoring a 4-H belt buckle for round robin and the vote was yes. 4-H camp is coming soon,Kids day camp is on June 23rd, Beaverhead breakout starts on June 27th. Our next meeting will be at Clark canyon reservoir. And we need our meeting with demonstrations.

Grasshopper Valley Volunteer Fire Dept Pancake Breakfast

Come make Grasshopper Valley Volunteer Fire Department Annual 4th of July Pancake Breakfast, Silent Auction and Grasshopper Valley Ladies Club bake sale part of your celebration for America's 250th Birthday and support our volunteer Fire and EMS crew. Breakfast will be served by our volunteers from 8am-11am at the Grasshopper Fire Hall in Polaris. There will be a nice variety of Silent Auction items you can bid on and of course grab some home baked goodies for your weekend. Our volunteers work hard to serve the area and would love to see you.

Attorney General's Office files sexual assault, drug charges against Sheridan County man

Prosecutors in the Montana Attorney General's Office charged a Sheridan County man with 25 felony counts of sexual assault and drug related charges for his abuse of five juvenile girls, Attorney General Austin Knudsen announced today.

Ivan Edward Greenwell, 40, is facing four counts of incest, three counts of sexual abuse of children, five counts of criminal distribution of dangerous drugs, six counts of sexual intercourse without consent, and seven counts of sexual assault.

In August 2025, one of the victims filed a report with the Sheridan County Sheriff's Office alleging that Greenwell had sexually abused her. The next day two more victims came forward with more sexual abuse allegations against Greenwell. As part of the investigation, several victims were forensically interviewed and search warrants were obtained leading to Greenwell being charged.

During the interviews the victims disclosed that over a period of four years, Greenwell would make them watch pornography, provide them with alcohol and drugs if they performed sex acts on him, and would sexually assault them in his home, car, and RV while other victims were in the area.

Greenwell is currently being held in North Dakota on similar charges. His arraignment is scheduled for July 14. He could face up to 2,200 years in prison and a $1.13 million dollar fine if convicted on all counts. Assistant Attorneys General Meghann Paddock and Caitlin Creighton are prosecuting the case along with Interim Sheridan County Attorney Logan Olson. The Sheridan County Sheriff's office investigated the case.

Gavin Knutson Ties for Sixth in Bull Riding at CNFR Championship

Montana Western's Gavin Knutson finished tied for sixth in the short go of bull riding at the 2026 College National Finals Rodeo Saturday evening.

Knutson finished with an aggregate score of 143.00, including posting an 82.00 to win the opening round.

The Polson, Mont., native is a four-rime CNFR qualifier as a Montana Western student-athlete. He finished second in the bull riding at the 2025 CNFR Championship.

This season, the senior qualified in both the bull riding and the team roping alongside partner Luke Garrison.

Knutson and Garrison were two of eight Montana Western rodeo athletes to make it to Casper this year, joining Cade Costello (saddle bronc), Cardell Laughery (saddle bronc), Jeremy Kay (bareback), Jake Deveraux (tie-down roping), Cooper Pavkov (team roping), and Bry Severe (team roping).

"I couldn't be prouder that all these kids are Bulldogs," head coach JT Robbins said.

BEAVERHEAD COUNTY TAX APPEAL BOARD IN SESSION

In accordance with 15-15-101(6) MCA, the Beaverhead County Tax Appeal Board will be in session from July 1st through December 31st, 2026, for the business of hearing appeals of property valuations set by the Montana Department of Revenue.

Any taxpayer who disagrees with the appraised value of his or her property may file an appeal with the Beaverhead County Tax Appeal Board within 30 days of the date on the Notice of Classification and Appraisal or Notice to Change Valuation (assessment notice).

Appeal forms are available at the Beaverhead County Clerk & Recorder's Office, or at the website of the Montana Tax Appeal Board, www.mtab.mt.gov.

Any appeal must be filed with the Office of the County Clerk and Recorder.

Upon receipt of the appeal, the County Tax Appeal Board Secretary will notify the appellant and schedule a County hearing.

The Beaverhead County Tax Appeal Board members are Jason Karch, Jim Harvey, and Vana Taylor. For further information, contact the Beaverhead County Tax Appeal Board's secretary at 406-683-3720, or by email: hschwandt@beaverheadcountymt.gov.

Dated this 13th day of May 2026.

Attorney General Knudsen waives driver license and ID fees to encourages Montanans to add their citizenship marker in celebration of America's 250th birthday this July

Attorney General Austin Knudsen announced today the Montana Motor Vehicle Division (MVD) will waive some renewal and replacement driver license and identification card fees in July to encourage Montanans to add the new black eagle-in-flight citizenship marker on their credential in honor of America's 250th birthday.

Fees will be waived for Montanans who come into MVD offices during the month of July looking to add the new citizenship marker to their driver license, REAL ID, and CDL credentials. MVD will be waving anywhere from $10.30 to $68.50 per transaction, depending on the type of credential issued.

"Join us in celebrating 250 years of America's freedom with a Montana driver license that proudly displays the new citizenship marker," Attorney General Knudsen said. "We're happy to be giving back to Montanans this summer. It's a great opportunity to get a new, more secure license and show your patriotism."

"MVD is proud to offer Montanans the option to display their citizenship on their driver license," MVD Administrator Laurie Bakri said. "Attorney General Knudsen and I are pleased to provide this opportunity for Montanans to update their credentials and celebrate America's 250th birthday. We encourage eligible Montanans to take advantage of the fee waiver this July."

MVD will be waiving REAL ID replacement and renewal fees. The replacement of a REAL ID typically costs $10.30, that fee will be waived for those adding the citizenship marker and there is no REAL ID fee associated with a replacement. The cost for a new or renewed driver license with a REAL ID is typically $67.47. During the month of July, Montanans will only pay $25 for a renewal of their REAL ID to cover the REAL ID fee, which will not be waived for any credential.

Renewal of current Montana driver license and identification cards (even if outside the expiration), except for the REAL ID fee, will also be waived. New or renewing license or identification cards without the citizenship marker credential for visitors on a visa will not be waived. All CDL credential fees, except for the REAL ID fee will be waived.

In 2025, the Montana Legislature passed and the Governor signed Senate Bill 91, sponsored by Sen. Theresa Manzella, which required driver licenses and identifications cards to display citizenship status. Subsequently, the Montana Motor Vehicle Division made the addition

and launched new driver licenses and IDs. The new credential is more secure, featuring elements to help reduce driver license fraud and identity theft, making it one of the most secure credentials in the nation. Montanans who opt to take advantage of this opportunity to have their fees waived to add the citizenship marker outside of their expiration will receive the new credential.

To add the citizenship marker, Montanans may be required to provide additional documentation including one of the following documents:

- Valid U.S. Passport
- Government Certified U.S. Birth Certificate
- Certificate of Citizenship or Naturalization
- Consular Report of Birth Abroad

Under the direction of Attorney General Knudsen, MVD launched a new driver services system that decreased appointment times and improved wait times for appointments. In some offices, Montanans can get same-day or next-day appointments. MVD does recommend scheduling an appointment in advance online at https://mvdmt.gov.

USDA Puts Montana Forests Back to Work, Supporting Jobs and Rural Communities

Timber harvests on three forests will support Central Montana communities and forest restoration efforts

U.S. Forest Service Chief Tom Schultz today signed the Montana Tri-Forest Federal Sustained-Yield Unit management plan that will support economic stability, strengthen central Montana's wood processing capacity and advance forest health though timber harvests that will be processed within the boundaries of the unit.

The Tri-Forest unit includes the Beaverhead-Deerlodge, Custer Gallatin and Helena-Lewis and Clark national forests. Leadership from these forests will work together to provide forest products that support local economic stability, strengthen central Montana's wood-processing capacity and advance forest health in alignment with existing forest plans.

"Our focus is restoring and sustaining the ability of forests to provide the services that people want and need. This mission is more critical than ever, and the forest products industry is a partner among many to help us achieve our

healthy forest goals," said Forest Service Chief Tom Schultz. "We estimate that over the first 10 years, the three forests will offer between 350-500 million board feet to local processing facilities in central Montana. That predictable supply not only helps to carry out forest restoration work but also supports local economies in an area where national forests make up a considerable part of the land base."

A stable wood-processing industry also supports investments in modern technologies, such as combined cogeneration systems and biochar production, while enhancing the region's capacity to manage forests and reduce wildfire risk.

"Establishing the sustained-yield unit reflects the collaborative work of leaders in the three central Montana forests who are committed to supporting local communities while advancing priority work on the landscape," said Regional Forester Troy Heithecker. "This plan will help provide stability for the forest products industry in central Montana while contributing to meaningful, on-the-ground progress that reduces wildfire risk, improves forest conditions for wildlife and expands outdoor opportunities for the outdoor recreation community."

Visit the project website to review the plan and for more information.

About the Forest Service: The Forest Service has brought people and communities together to answer the call of conservation for more than 100 years. Grounded in world-class science and technology—and rooted in communities—the Forest Service connects people to nature and recreation opportunities. The agency manages 193 million acres of public land, supports the nation's forest industry and energy needs, and operates the largest and most respected wildland fire and forestry research organizations in the world. By providing assistance to state and private landowners and working with Tribes and other partners, the Forest Service also helps steward an additional 900 million forested acres within the U.S.
