Artists Invited to Submit Work for Gallery of Hope Fundraiser

The Women's Resource Center (WRC) is seeking original artwork for the 2026 Gallery of Hope fundraiser. Submissions inspired by the theme "Inspiring Healing" are accepted through July 13, 2026.

Presented in partnership with Resolute Roots Realty and Vessey Properties, Gallery of Hope celebrates the power of creativity while raising awareness and support for the WRC's services for survivors of domestic and sexual violence. Artists are invited to participate by submitting original work for display throughout the Ruby Valley and Madison Valley from July 20 through August 19, leading up to the Gallery of Hope event on August 22 in Ennis. Donated artwork will be featured in the evening's silent auction, with proceeds benefiting the WRC and the individuals and families it serves.

Artists of all ages working in any medium are encouraged to participate. The exhibition welcomes painting, drawing, photography, sculpture, fiber arts, and other forms of creative expression. Each artist may submit up to three original works. Submission guidelines and entry forms are available at tinyurl.com/WRCGalleryofHope.

Since 1977, the WRC has provided free, confidential services, including crisis intervention, advocacy, outreach and education, and emergency shelter for survivors and their families throughout Southwest Montana.

For submission guidelines and event details, please contact Resolute Roots Realty at 406-842-5973 or visit the Resolute Roots Realty or Women's Resource Center Facebook pages. Join us in creating an evening of hope, healing, and connection through art.

Beaverhead County Transportation Committee

Secretary Christi Jacobsen, Land Board generate more than \$1 million for Montana schools

Montana Secretary of State Christi Jacobsen's votes during Monday's Land Board meeting will generate estimated revenue of more than \$1 million, with the majority benefiting the state's K-12 schools.

Secretary Jacobsen joined her colleagues in voting to approve oil and gas leases, a timber sale, and several easements. In total, the agenda items from Monday's monthly meeting are estimated to generate nearly \$1.1 million.

Thirty-three tracts were leased in the state's quarterly oil and gas lease sale, with an average bid of nearly \$60 per acre. One tract in Roosevelt County received a high bid of \$4,505 per acre, totaling \$360,000. All total, June's oil and gas leases generated roughly \$926,000 for Montana schools.

Additionally, the Land Board approved a timber sale northeast of Belt projected to bring in at least \$36,556 to Montana schools. The sale includes nearly 5,000 tons of sawlogs and will reduce the risk of wildfire, insect, and disease.

"I'm proud that our decisions on the Land Board continue to support responsible natural resource development while generating strong, reliable revenue for Montana's schools," said Secretary Jacobsen. "These projects help keep our forests healthy, support good-paying jobs, and ensure our students and communities benefit for years to come."

The Land Board also approved the sale of a Department of Labor and Industry building in Billings, a Department of Corrections land exchange in Powell County, and the donation of the historic Samuel T. Hauser residence in Helena intended to be used as the executive residence for Montana governors and first families.

Help Needed with Bannack Rag Dolls

Plans are underway to gather and prepare materials needed for making rag dolls at Bannack Days again this year. We need donations of cotton fabric that can be cut into strips 1 1/2 inch wide by 22 inches or 44 to 45 inches long. We also need white cotton fabric that can be cut into 14-inch squares. Sheets work well for this. Material can be whole pieces that we can cut, or you can bring them to us already cut into strips or squares. If you cut strips, please tie or group them as ten strips to a bundle. Donations of Poly-fil stuffing are also needed to make the doll heads. We are also scheduling times for people to cut fabric at the Methodist Church. If you can donate or cut fabric, please contact Arlis Vannett at 406-925-2209 or Cathy Speich-Ferguson 406-925-2209.

Whole Food Health Minute: Garlic Scapes

Perhaps you're starting to notice those magical scapes twirling out from the top of those tall garlic plants. Don't let them go to waste! Garlic scapes are one of the garden's great early bonuses, snip them before they straighten out and you've got a versatile, flavor-packed ingredient that works in everything from pesto and potato salad to a simple sauté with mushrooms. Beyond the flavor, garlic scapes bring real nutritional value to the table as well — loaded with vitamin C for immune support, potassium for heart health, and fiber to keep your gut happy. Feel good about utilizing the whole plant too.

Good health is built day by day, starting with real food.
