John Nels Mugaas

On June 27, 2026 John Nels Mugaas went to find a place where he can climb mountains, hike trails, bird watch, write stories, identify flowers and paint.

John was born September 10, 1942, in Dillon, MT to Magnus (Mac) and Agnes (Laknar) Mugaas. He attended Beaverhead County High School, where he was class president, played football and ran track. This is also where

he met his "Best Girl", Lynn Jones, graduating in 1960.

In high school John discovered his love for the adventures, thrills and challenges of mountain climbing. Starting with the Pioneer Mountains near Dillon he climbed his way through the Beartooth Range and the Tetons, completing many mountain ascents. His greatest climb was the first winter ascent of the Grand Teton.

John attended Carroll College in Helena, MT for a year and then transferred to Montana University in Missoula, MT where he received both a B.A. and Master's Degree. He continued his studies at Washington State University in Pullman, WA earning his PhD in Physiology.

John and Lynn married in 1965, beginning their adventures together, with the three children that came along the way: Marina, Joel Peter and Aaron. John had his first teaching job at Southwestern at Memphis College. He continued to teach and conduct research at the West Virginia School of Osteopathic Medicine in Lewisburg, WV. He retired from a fulfilling career there after 25+ years.

John and Lynn explored all the corners of West Virginia with their children and spent every summer traveling cross country to Montana to visit family and friends. As lifelong avid birders, John and Lynn enjoyed driving their kids crazy investigating every flit and flutter, wherever they happened to be, with their binoculars and a dozen pounds of bird books. They participated in annual Christmas Bird Counts for several decades in four different states and explored birding in Brazil, Alaska, Hawaii, Belize, Costa Rica and all over the US.

For the first five years of retirement, John and Lynn volunteered for the West Virginia Division of Natural Resources performing statewide dragonfly and damselfly surveys and earned Master Naturalist certifications.

With the birth of their third grandchild coming in Bozeman, John and Lynn returned to Montana to live out their final years as adventurous, doting and tirelessly supportive grandparents accompanying the kids on numerous adventures and showing

up for every performance and game.

John also enrolled in writing and art classes, discovering he really enjoyed the new challenges. His stories were published in Montana, West Virginia and North Dakota

Magazines; he created a book of poetry and sketches; and he authored and illustrated two bird books for children. He also sold paintings through the Bozeman Art Museum at the Bozeman Library. John was an active member of the Sacajawea Audubon Society, Bozeman Senior Center and enjoyed several different Book clubs.

John is survived by his children Marina (Alan) Martin of Charles Town, WV, Joel Peter Mugaas of Lewisburg, WV, Aaron (Julie Kleine) Mugaas and grandchildren Wylie, Hayes and Raina all of Bozeman, MT. Sister-in-law Liz Jones, nieces Terri (Tom) Cain, DeeDee (Ted) Williams, Yvonne Jones, Jodi Pauley, and nephews Russell (Wanda) Sigman, Keith (Wendy) Jones, and many Laknar and Mugaas cousins.

He is preceded in death by his parents Magnus and Agnes Mugaas, his daughter Connie Renee Mugaas, his wife Leslie Lynn (Jones) Mugaas, brother Harold Mugaas, brothers and sister-in-law Loren and Retha Sigman and Donald Jones

Green Burial will take place at Mountain View Cemetery, Dillon, on July 13, 2026. There will be a grave side service at 11:00 with a luncheon and fellowship to follow at the Baptist Church, 110 S. Idaho St, Dillon, MT

In lieu of flowers we ask that donations be made to Sacajawea Audubon Society, Eagle Mount, in Bozeman, MT, Ronald McDonald House or the charity of your choice. The family thanks the caregivers at Brookdale Springmeadows Assisted Living for the loving care provided to John during his last six months. Because of them we were able to enjoy the time we had...

FedEx Semi Rolls on I-15 Near Dillon

Jeremy Crawford, Southwestern Montana News

Tuesday evening, first responders were dispatched to a single-vehicle rollover crash on Interstate 15 near mile marker 79.

According to information from the scene, a FedEx semi-truck traveling northbound left the roadway, narrowly missing a guardrail before traveling approximately 75 yards across the roadside. The truck eventually rolled onto its passenger side.

Emergency crews responded to secure the scene and investigate the crash. The cause of the accident has not yet been released.

This is a developing story, and Southwestern Montana News will provide updates if more information becomes available.

Commerce Allocates Grants to Coal-Impacted Communities

\$250,000 for community development and public safety projects

The Montana Department of Commerce announced this week that \$250,000 in grant funding has been awarded to two Montana communities to support vital public safety and development projects in coal-impacted areas. The funding was allocated to these communities by the Montana Coal Board.

"Commerce is proud to support the people who live in Montana's coal country," said Commerce Director Marta Bertoglio. "In the last five years, more than \$15 million of Coal Board grant funding has been awarded to eight counties, nine school districts, seven cities or towns, one tribe, one water and sewer district and one hospital district."

The following communities will receive Coal Board funding:

The City of Colstrip will receive \$100,000 for the purchase of chlorine analyzers for the water treatment plant.

The City of Miles City will receive \$150,000 for the purchase of a mini pumper for the Miles City Fire Department.

In 2025, the City of Hardin received over \$113,000 in Coal Board funding to purchase communications equipment for the Hardin Police Department.

Terminus Distilling Company Updates

Katrina & Derek Lewis

Building

We're whittling down the 'must do' list before opening. Outside, Derek built and hung a second flower box and cleaned up the grounds, while Katrina painted the trim on the corner windows and employees' door. Inside, trim is finished, fridges and kegerators are installed, and Point of Sale is up and running. With all that done, we're in a holding pattern as we wait on final approvals from the state.

Business / Community

We have a phone number! (406) 988-0018. For those of you who pay attention to county codes on Montana license plates, you'll know 18 is Beaverhead County.

Many local businesses are helping us get ready to open. Nate Mooney of Moonlite Electrical has run our wire, Ben Kenneally of Lights in the Night Neon is making our signs, Flower Frenzy grew beautiful flowers that we planted in our boxes, Jesse Scofield is crafting outdoor lighting, and Womack's Printing is helping us evolve our shrub labels. Without their help, we wouldn't be where we are.

This month, we helped run the Second Annual Tweedy Mountain Fun Club Stick Horse Stampede in support of the Early Childhood Coalition of Beaverhead County. Debbie from The Bookstore read 'horse tales,' the Dillon Public Library hosted horse-themed crafts, Rugged Electric provided cotton candy, and Liz Crowley provided the sparkle for The Glam Stands. We're grateful to everyone who made it such an amazing event.

Distillery

Our Scottish friend, Craig, visited Montana a few weeks ago and brought us a Single Malt Whisky from the Isle of Arran. It's incredible. We hope to make it over there soon and visit the sister distilleries on the island.

Rhubarb is in full swing and we're picking as much as possible to make shrubs. Katrina's strawberry rhubarb with ginger is a hit, and she's tinkering with a rhubarb hibiscus syrup to add to our ginger beer. Keep an eye on our online store for updated summer shrubs and our upcoming menu.

Veteran's Corner Update #571

By Mike Lawson

Veteran News Updates:

- The last 3 week-ends have seen me attend three Veteran Organization Conventions in Montana, starting with the DAV Convention at Big Sky, followed by the Marine Corps League Convention in Great Falls and the American Legion Convention this week-end in Helena. These conventions were informative, with Veteran issues talked about and how we can support change where change is needed. One observation made, was how old many of us are getting. More younger veterans need to be in place as we older members leave our posts. I did observe at all of the conventions, some new younger faces. We really have to be careful we don't put too much on their shoulders or we'll lose them.

- The Veteran's experiencing homelessness are encouraged to call 877-424-3838. The homeless numbers are down compared to last year but have a long way to go in getting homeless vets off the streets, treated and prepared to reenter society.

- If you served in the military, you've earned VA Health Care. Enrollment is free and a Veteran can do it online. The benefit is the unlocking of a lifetime of access to VA medical centers and many medical treatment options. It's important to notify anyone who has recently been discharged or ready to be discharged, to enroll within 5 years from separation from active duty. Who qualifies is as follows; (1) Reserves and Guard who completed their full call-up period and or 10 federal activations (2) Combat Veterans after 9/11 get 5 years of free VA healthcare after separation, regardless of disability (3) OTH and bad-paper discharges need to request a Character of Discharge determination. Check for more comprehensive information at va.gov/health-care/apply. Have your DD-214 handy. Call 1-877-222-VETS (8387). Walk into any VA medical center or CBOC and get help from the enrollment coordinator. It's important to get your friend or loved one, discharging from the service, enrolled as it means a lifetime of medical care.

This week-end will see folks traveling on our highways. The celebrations for our country's 250th Birthday will be many. Please travel safely and give thanks for the freedom we are privileged to have and have had these last 250 years.

A small back pack bag was found by Nobel and Sunrise Streets. The bag contained a few girls items and prescription glasses. If you have lost one and can identify, please call Womack's Printing Place, 406-683-4903 or stop in at 126 N. Montana St.

Bonus points, preference points available for purchase

Hunters who did not apply in 2026 for a license or permit can purchase a preference point and/or bonus point beginning yesterday.

As a reminder, preference points are used for drawing Nonresident Combination Licenses. Preference points move you ahead in line for the drawing. Hunters with the most preference points are drawn before hunters with fewer preference points. However, 25 percent of Nonresident Combination Licenses are issued through a random drawing to applicants who have no preference points.

Bonus points are used in other drawings. They offer additional chances of being drawn for a first-choice license or permit for a given species. Bonus points are only used in first-choice drawings. Unlike preference points, bonus points do not guarantee a license or permit to the applicants with the most bonus points.

Points and chances can be purchased online at FWP's Online Licensing Service, at a License Ambassador location or at any FWP office that offers license sales. Most FWP offices with license sales are open Monday through Friday, from 8 a.m. to 5 p.m. FWP offices will be closed July 3.
