Gary Lee Boyer

May 26, 1946 - August 9, 2026

Gary Lee Boyer, 80, passed
away peacefully at home on
August 9, 2026, surrounded by
the love of his family.

Born May 26, 1946,
in Miles City, Montana, to
Mildred and Harold Boyer,
Gary graduated from Forsyth
High School and Montana State
University. For more than 30
years, he taught Wood Shop and
Industrial Technology, finishing
at Corvallis High School, and
coached wrestling, football and
basketball.

Gary and Donna shared 56 years of marriage, raising their
family on their ranch north of Darby before making Dillon
home. A gifted craftsman, rancher, fisherman and cook, Gary
was known for homemade pizza. To his grandchildren and
great-grandchildren, he was "Grandpa Doot Doot."

Gary is survived by his wife Donna; daughters Rhonda
Boyer Dolcater and Renee Boyer Morrison; grandchildren
Miranda Simmons, Lauren Dolcater and Lacey Dolcater;
great-grandchildren Logan and Allison Simmons; sister Joan
Newman; and nephew Brady Wood. He was preceded in death
by his son Randall and grandson AJ Jenkins.

Gary believed family was built through love, choice and
showing up. His greatest work was a family who knew they
were deeply loved.

Graveside services will be held at Mountain View Cemetery
in Dillon, Montana, September 24, 2026, at 1:30 p.m.

For Gary's full story, visit brundagefuneralhome.com. Our
family would be truly blessed if you would share a favorite
memory or story about Gary. Your memories are a gift to us
and will help keep his spirit alive for generations to come.

Fish and Wildlife Commission to meet October 15

Montana Fish, Wildlife & Parks is seeking public comment on a variety of items that will go before the Montana Fish and Wildlife Commission during its next meeting, Oct. 15. The meeting will be held at the Montana Heritage Center in Helena starting at 8 a.m.

One of the agenda items open for public comment is grizzly bear relocation sites. Montana law requires FWP staff to only release grizzly bears at commission-approved sites within occupied grizzly bear range. The sites proposed are, by and large, the same as the commission approved five years ago.

Recently, the U.S. Fish & Wildlife Service proposed a rule change that would provide additional management flexibility for grizzly bears in Montana. This rule change would not impact the requirement for the Commission to approve grizzly bear relocation sites.

Another agenda item open for public comment is public use and commercial use fee schedules. The public use fees, such as camping fees, have not been updated since 2014, and commercial use fees, such as vendor fees, have not been updated since 2007.

The fees in FWP's proposal were crafted after receiving ample public input. They are clearer and more consistent and affordable for visitors, businesses and staff than the current fees. They also better reflect inflation and the increasing costs of maintaining and managing public recreation sites.

A couple of the other topics open for public comment are:

- 2027-2028 Fishing Regulations
- Decision on Final Adoption of Bitterroot River Motorized Watercraft Closure

More information about these agenda items is available on the commission meeting webpage.

Want to weigh in? Here's how

Your voice matters in this process. The commission is accepting public comment on meeting agenda items through Sept. 24. There are two ways to comment before the meeting: Online portal (SurveyMonkey): Each agenda item includes a survey for submitting public comment. Letters and supporting documents may be attached to the survey. Mail: Send written comments to: Montana Fish and Wildlife Commission, c/o FWP Liaison - Director's Office, P.O. Box 200701, Helena, MT 59620-0701.

Prefer to comment at the meeting?

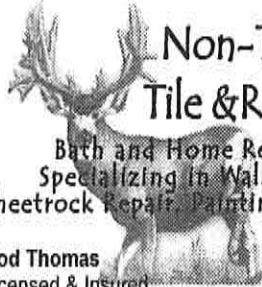

You're welcome to comment in person on Oct. 15 at the Montana Heritage Center in Helena, or at your nearest FWP regional office - find locations here. Joining by Zoom? You can comment virtually, but you must register in advance. Registration opens Sept. 30 and closes at noon on Oct. 14. Comment time at the meeting may be limited at the commission chair's discretion.

If you have questions about the comment process, please contact Jesse May, at 406-444-7826 or jessemay@mt.gov.

Fish and Wildlife Commission approves quotas for wolf hunting and trapping season

The Montana Fish and Wildlife Commission approved the 2026-2027 wolf and furbearer hunting and trapping regulations after nearly four hours of deliberation and public comment focused almost entirely on wolf management.

For the upcoming season, which starts Sept. 5, the commission approved a total harvest quota of 300 wolves, broke down by regions. This is lower than last year's statewide quota, but higher than the quota of 250 recommended by FWP. Last year's quota was 452, and 247 wolves were harvested.

The amendment split the quotas down by regions as follows:

Region 1: 131
Region 2: 92
Region 3 (excluding wolf management
units (WMU) 313, 316): 33
WMU 313: 1
WMU 316: 1
Region 4: 28
Region 5: 6
Region 6: 4
Region 7: 4

During the meeting about 120 people provided comments; this was in addition to more than 2,200 public comments received online and by mail before the meeting.

There was no additional commission discussion after the public comment period, and the motion to approve the regulations carried unanimously.

Veteran's Corner Update #580

By Mike Lawson

Greetings to all of you who read my SW MT Veteran update articles

Veteran News Updates:

- Recently Butte's Detachment #724 Marine Corps League did the Firing Line for the Hunter Safety kids again at the Butte Gun Club at Rocker, Mt.. Lynn Foster usually calls me in April and August to request us to come up with the manpower to take this on. Our members love to do this in helping these kids learn proper gun safety, proper shooting techniques and make this shooting experience positive for them. I wasn't there but I didn't need to be as these Veteran members took responsibility and made this a memorable event for these kids.

- The annual VA disability compensation rate change is expected to be between 3.7% and 3.8% due to the continued increase of the cost-of-living. This will be the same percentage as what the Social Security will get. It will be announced in mid-October and will take affect on Dec.1.

- A new treatment for epilepsy called Visualase has seen the first Veteran starting treatment. The veteran reported that after 4 days, he was feeling great. This treatment treats focal epilepsy with very little trauma. Hopefully this will be a great treatment for other veterans with epilepsy and eventually for our communities outside the VA.
