Mental Health Musings

In honor of "988 Day" (9/8/26), your friends at Beaverhead County Public Health offer the following as the first article of a mental health series:

Mental Health Musings

What is suicide?

Suicide is when people harm themselves with the intent of ending their life, and they die as a result. A suicide attempt is when people harm themselves with the intent of ending their life, but they do not die.

People of all backgrounds can be at risk of suicide. Suicidal behavior is complex, and there is no single cause.

Suicide is a leading cause of death in the United States and a major public health concern. When a person dies by suicide, the effects are felt by family, friends, and communities.

Data shows that some communities experience higher rates of suicide than others. Effective, evidence-based programs and treatment options can help prevent suicide.

If you or someone you know is struggling or having thoughts of suicide, call or text the 988 Suicide & Crisis Lifeline at 988 or chat at 988lifeline.org. In life-threatening situations, call 911 to immediately reach law enforcement.

This information provided in cooperation with the Beaverhead County Public Health Bridging Connections Program. Contact Elaine at (406)683-4771 for more information about local mental health initiatives. For information regarding area mental/behavioral health providers, see: [Beaverhead-County-Mental-and-Behavioral-Health-Resource-Guide.pdf](#). For more information on this week's topic, check out the National Institute of Mental Health website at www.nimh.nih.gov/health/publications/suicide-faq

Please also take a look at today's insert regarding the 988 Suicide & Crisis Lifeline, which offers skilled, compassionate help for mental health and substance use problems for anyone at any time.

Vehicle Fire and Separate Crash Reported on I-15 South of Dillon Friday Evening

Jeremy Crawford, Southwestern Montana News

First responders were called to Interstate 15 near mile marker 58 Friday evening for a vehicle reported to be on fire in the northbound lanes.

According to scanner traffic, deputies responding to the incident arrived on scene and reported that a Subaru's gas tank was on fire. Beaverhead County Volunteer Fire Department and emergency medical personnel were then requested to respond.

Shortly after arriving, firefighters began working to contain and extinguish the vehicle fire. Traffic control was

also established in the area to provide firefighters with a safe working area along the interstate.

The occupants of the vehicle were evaluated at the scene and declined further medical treatment or ambulance transport, according to scanner traffic.

Separate Crash Reported Near Vehicle Fire

The Montana Highway Patrol also reported a separate crash near the area shortly before the vehicle fire.

Scanner traffic indicated a Montana Highway Patrol trooper was responding to investigate both the crash and the vehicle fire.

Motorists traveling through the area experienced emergency activity along the northbound lanes while crews worked at the scene.

No additional information was immediately available regarding what caused the Subaru to catch fire or details surrounding the separate crash.

Southwestern Montana News will provide additional information if it becomes available.

Montana Supreme Court upholds conviction in attempted homicide of Trooper Johnson

The Montana Supreme Court affirmed the conviction of Jason Allen Miller for the attempted homicide of Montana Highway Patrol Trooper Lewis Johnson, Montana Attorney General Austin Knudsen announced.

Miller appealed his June 2025 conviction for running over and seriously injuring Trooper Johnson in February 2023. During the appeal, Miller argued that the court abused its discretion by allowing law enforcement officers to attend trial in uniform, that Miller received ineffective assistance from his attorney, and that the court abused its discretion by admitting a photograph of the crime scene. However, the court agreed with the Attorney General's Office that he received a fair trial.

"I am relieved and glad to report the Montana Supreme Court sided with us on this case. It is a testament to the great work of our Montana Department of Justice prosecutors and appellate lawyers," Attorney General Knudsen said. "I hope this decision brings Trooper Johnson and his family some peace as they have shown incredible bravery throughout this entire process. Justice has been served."

In June 2025, Miller was sentenced to life without parole after he was found guilty of five felonies: attempted deliberate homicide, criminal endangerment, criminal mischief, criminal possession of dangerous drugs, and aggravated kidnapping. Miller also owes the Johnson family over \$75,000 in restitution and over \$1.2 million to the State for Trooper Johnson's care, treatment, and trial expenses.

The case was prosecuted by Assistant Attorney General Thorin Geist and former Assistant Attorney General Selene Koepke. The State was represented on appeal by Assistant Attorney General Katie Schulz.

New agenda item added to October Fish and Wildlife Commission meeting

Montana Fish, Wildlife & Parks is seeking public comment on an additional item that will go before the Montana Fish and Wildlife Commission during its meeting on Oct. 15. The meeting will be held at the Montana Heritage Center in Helena starting at 8 a.m.

FWP is proposing a land acquisition project that would establish the Thompson Island Fishing Access Site (FAS). The project would require the commission to accept title for a 32-acre island in the Stillwater River along with an easement that would allow for the creation of the new FAS. The island is known as Thompson Island and is approximately 5 miles north of Absarokee, 2 miles upstream from Swinging Bridge FAS and approximately 2 miles downstream from Jeffrey's Landing FAS.

Visitor Caution Encouraged During Clark Canyon Fuels Treatment Project Prep

Dillon Field Office staff urge visitors to exercise caution in some Bureau of Land Management-administered areas of Clark Canyon, Sept. 7-19, as crews work to prepare about 912 acres for future fuels treatment projects that will reduce wildfire risks and improve forest habitat conditions.

The Clark Canyon fuels treatment project is located in Beaverhead County, Montana, about 20 miles southwest of Dillon (7 miles east of Clark Canyon Reservoir), at the top of Clark Canyon Road.

Contractors will be using chainsaws and other equipment to cut encroaching conifer and brush, piling it for prescribed fire treatments planned to occur during 2027.

Visitors are advised to avoid areas where active work is occurring. Signs will be posted near common access points.

The BLM and the U.S. Wildland Fire Service work to prevent future catastrophic wildfires by strategically reducing excess vegetation, cultivating healthy fire cycles, and empowering local communities to reduce their wildfire risk. Learn more about USWFS fuels-management goals on the Department of the Interior website – <https://www.doi.gov/wildlandfireservice/prevention>.

Dillon Middle School News for the week of September 8-11.

There is no school on Monday, September 7. Happy Labor Day!

School resumes on Tuesday, September 8 at 8:10 a.m.

Welcome back, students and staff! We hope you all had a wonderful summer and we can't wait to see you for this school year!

The lunch menu for the week is as follows:

- Monday: NO SCHOOL - NO LUNCH
- Tuesday: Turkey Sandwich with Chips or Taco Salad Bar
- Wednesday: Local Beef Burger on a Homemade Bun or Chef Salad Bar
- Thursday: Teriyaki Chicken or Cobb Salad Bar
- Friday: French Bread Pizza with Salad or Asian Chicken Salad Bar

On Tuesday, September 8, each grade level will be meeting for separate assemblies to review school expectations and get important information for the school year.

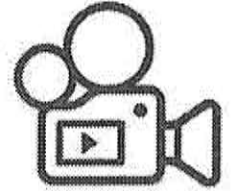

On Thursday, September 10, DMS Cross Country departs to Anaconda at 10:30 a.m. for their meet at Washoe Park. Good luck and have fun, Cross Country team!

Also on Thursday, 6th Grade Volleyball Begins after school in the DMS gym at 3:45.

Parents and guardians, please take some time with your child this week to review the DMS school and classroom expectations laid out in their student handbook. These handbooks are a section of their planners they will be getting on Monday this week. The students will be learning about these school policies in their 8th period classes, but it is great for everyone to have an understanding of them to avoid any confusion. Thank you!

- A network of more than 200 local crisis contact centers that can handle thousands of contacts each day

988 is a key part of a broader vision for reimagined crisis care in the United States that is built through federal, state, tribal, local, and community partnerships. The vision is that everyone has: **Someone to contact. Someone to respond. A safe place for help.**

WHAT TO EXPECT WHEN CONTACTING 988

- You'll be given some options to select the service that meets your needs
- Your counselor will ask some questions to first make sure you are safe
- You'll get one-on-one, judgment-free support

REAL 988 FEEDBACK

"Last night I was not well. My support system was not available and **this service brought me around and helped me get through what I thought was the end.** This was the first time I had the courage to call and **the counselor was kind, calm, and patient.** Thank you from the bottom of my heart."

"In a moment of supreme vulnerability and when I felt like I had no one else, I called 988 and was proven so wrong. The man I spoke with was **absolutely amazing, supportive, comforting, trustworthy and helped me so much.** It means so much to have a stranger care and listen when you feel like there is no one around."
