SUSAN HUNTLEY SANDERS

(4/1/1959 – 8/29/2026)

Susan Huntley Sanders, 67, of Tampa, Florida, passed away peacefully in her sleep on August 29, 2026, at St. Patrick's Hospital in Missoula, Montana. After being diagnosed with stage four pancreatic cancer in June, Susan returned home to Montana to be surrounded by the family and friends she loved so dearly.

Susan was born on April 1, 1959, in Butte, Montana, to Clayton and Barbara Huntley. One of five children, she grew up on a cattle ranch in the Big Hole Valley near Wisdom, Montana, where she developed a lifelong appreciation for family, community, and the beauty of Montana. She attended Wisdom Elementary School and later Beaverhead County High School in Dillon where she participated in basketball, track and the Golden Girls Drill Team. She went on to Montana State University where she was a cheerleader and earned a degree in Education.

After college, Susan married and moved to Billings, Montana, where she raised her two children, Larissa and Brett. She embraced the many demands of being a working mother, building a career while raising her children and making sure they always knew they were her top priority. Over the years, she worked in pharmaceutical sales and later as a customer service manager in the telecommunications industry.

After her children were grown, Susan moved to Connecticut, where she married the love of her life, Brian Sanders. She worked as a customer service manager for Compass Learning, a children's educational software company, until Brian's career eventually took them to Tampa, Florida, where she retired.

Susan's greatest gifts had little to do with her career. They were found in the way she loved people.

Susan had a radiance that came from deep within. She brought warmth and sunshine into every room she entered, and her presence made people feel welcomed, valued, and cared for. She was tender-hearted, genuine, and wonderfully authentic. More than anything, Susan loved connecting with people one-on-one.

She had a rare ability to truly listen—without judgment, or without rushing. She created a safe place where people could open their hearts and speak honestly about the things that mattered most. In response, Susan somehow seemed to know exactly what to say. Her advice was thoughtful, honest, and full of compassion.

For countless friends and family members, Susan was their trusted "go-to," their sounding board, their confidante, and, in difficult moments, their lifeline. She had a way of making people feel that whatever they were facing, they did not have to face it alone.

Bookstore hosts The Littlest Treasure Hunter

Isabella the Littlest Treasure Hunter will be signing books at the Bookstore Friday, September, 11th from 3:00-4:00 PM. She is the granddaughter who inspired The Treasure Pack series written by Suzanne and Jim Lord. Follow Isabella and her cousins as they take on treasure hunts created by their Poppa and Grandma. These engaging stories introduce early readers to real treasure-hunting problem-solving methods — decoding puzzles, ciphers, and clues — while sparking a love of reading and adventure. Join Isabella on a fun-filled home treasure hunt created by her grandparents. Along the way, she learns that the greatest treasure of all is the joy of sharing adventures with family and friends.

Book sales help the Treasure Pack family share. Giving

back is an ongoing part of their mission. So far, 100 books have been donated to Shriners Children's Hospital in Northern California and 100 books to Shodair Children's Hospital in Helena, Montana. They have selected Sunrise Children's Hospital in Las Vegas for the next donation drive.

Please call the Bookstore at 406-683-6807 if you have any questions or would like to reserve copies of the book.

Dillon man sentenced to 18 months for unlawfully possessing firearms

U.S. Attorney's Office, District of Montana released a statement about a Dillon man who unlawfully kept a cache of firearms in his home was sentenced last Friday to 18 months in prison, followed by three years of supervised release, and a fine of \$10,000, Acting U.S. Attorney Mark Steger Smith said.

Cameron Duane Haworth, 50, pleaded guilty in April 2026 to unlawfully possessing a firearm.

U.S. District Judge William W. Mercer presided.

The government alleged in court documents that Haworth was a convicted felon prohibited from possessing firearms. When law enforcement served a search warrant on Haworth's home on Aug. 13, 2025, agents found six firearms with ammunition. In an interview following the search, Haworth admitted to law enforcement that he knew the guns were there.

Assistant U.S. Attorney Katy Stack prosecuted the case. The ATF conducted the investigation.

HOME SCHOOL NOTIFICATION

As Beaverhead County's public schools moved into the first day of school, those parents who wish to home school their children are also preparing for the new school year. Parents must notify the County Superintendent of Schools (Mike Miller) that their child is (or children are) being homeschooled.

The mandatory information parents need to provide the Superintendent's office is (1) a written notice of the intent to home school and (2) the "Notification of Opportunity to Participate in Federally-funded Program" Form. These forms are available at the Superintendent's office, on the County's website, or may be requested through an email or phone call at 406.683.3737. The Superintendent's email address is mmiller@beaverheadcountymt.gov. These forms take approximately 5-6 minutes to fill out and can be completed right in the office.

Parents must file these documents as soon as possible, but certainly before 1 October 2026.

Veteran's Corner Update #581

By Mike Lawson

Veteran News Updates:

- The Dillon Labor Day Weekend is a big event with the county fair, rodeo and parade. This year will see our two Dillon DAV Vans and our Butte Campaign Toys For Tots trailer in that parade. The DAV Vans will have posters encouraging anyone interested in driving a DAV Van to contact any of our drivers or Mike Lawson (406-560-3591). We'll get an application to them.
- Many of us Veterans have struggled in getting our VA military records. Recently the VA made requesting records easier with a single, clear page. Just pick the right box —DD214, medical records, or benefits and get connected to the right form fast. No confusion, no delays. Visit the FOIA and records request page.
- Educational fraud is a real sad issue that Veterans can be subjected to. The VA is on a mission to make sure that Veterans and their beneficiaries are informed about risks associated with this. It's important to find VA approved schools and compare benefits with the GI BILL Comparison Tool.
- If you have someone in your family or someone who is a friend that is ready to transition out of the military, have them check the Know Before You Go Workbook. This can be a great benefit to help them make informed decisions about VA benefits and services.
- If you're wanting to ask the VA any personal questions, the most secure way is at VA.gov/contact-us/.

Health Minute

Dandelion

We've long loved dandelion for its liver and kidney support, but researchers are now taking a closer look at this super food "weed" for other reasons too. Every part of the plant is edible, though the root is where the most concentrated benefit is thought to live.

Early laboratory studies have found that dandelion root extract can prompt certain cancer cells to self-destruct through a natural process called apoptosis. It's promising, preliminary science, and researchers are calling for more human trials before any real conclusions can be drawn. Still, it's a striking reminder of how much medicine may be growing right in our own backyards.

In the meantime, dandelion root tea is a wonderful, grounding way to support liver and kidney function daily. Come try our organic, wild-harvested dandelion root tea at Mighty Oak and stop by during Happy Hour Tea Time, 2-3pm Wednesday-Saturday for \$1 off, a great way to sample before you buy.

Good health is built day by day, starting with real food. Written by Amber Barone BSN, RN Holistic Nurse & Founder of Mighty Oak Mercantile
