Bernard Shafer

Dec 25, 1947 — Aug 24, 2026

Bernard "Bernie" Shafer age 78, passed away after a brief illness with his wife, Connie, by his side, on Monday, August 24, 2026, at Poudre Valley Hospital in Fort Collins, Colorado. He was born on December 25, 1947 in San Francisco, California to Glenn "Tine" Shafer and Rose Shafer. He was raised in Dillon, Montana and graduated from Beaverhead County High School in 1965, and was President of his Senior Class. In 1969, he graduated from Montana State University

(MSU) in Bozeman, earning a Bachelor of Science Degree in Physical Geography, then went on to get his Master of Science in Meteorology/Hydrology in 1971. While there he met and married Connie, the love of his life on December 30, 1970. They celebrated 56 years of marriage this past December. He was a devoted husband and loving father to their two children, Codi (Todd) Kaji, and Josh (Julie) Shafer, and his four treasured grandsons, Benjamin and William Kaji and Oliver and Arlo Shafer.

Bernie was the second eldest of four children and leaves behind three sisters, Ginger Fruhwirth, Susie Shepherd (his twin), and Janet Shafer, all of Greeley, Colorado. He also leaves behind many nieces and nephews who will miss him dearly, along with other extended family members and cherished friends whose lives were forever enriched by knowing him. He will be remembered for his self-discipline, integrity, generous spirit and willingness to help anyone in need.

He began his career with USDA SCS in snow surveys in Montana, working in the mountains he loved. He helped install snow measuring sites in Colorado, New Mexico and Wyoming, responsible for water supply forecasting for the Western United States. He was a regional, then national hydrologist before launching the information technology center in Fort Collins, bringing some of the brightest people with him. He was held in great esteem by his colleagues. He authored/coauthored 30 scientific and professional papers and was on scientist exchange programs to Argentina and Taiwan. His first retirement in 1999 was from USDA NRCS, then worked in the private sector until his second retirement in 2003, and finally retiring for good from private consulting in 2006. Time spent with family and friends was his best job by far. His mantra was "prior preparation prevents poor performance", a quote from former US Secretary of State James Baker.

Bernie was known for his love of the great outdoors --- hiking, hunting and above all ---fly fishing in Montana and the streams and lakes of Colorado. He was never more at peace than when he was drifting down a river or standing in the middle of a stream

with his waders on and a fly rod in his hand. He always enjoyed reminiscing about growing up in Dillon and spending summer days in Argenta, fishing and hiking the hills and valleys with siblings and many cousins living there.

While our hearts are heavy and we miss him more than words can express, we are grateful for the time we were blessed to have him and the impact he had on our lives. Our greatest comfort is knowing he is no longer suffering and at peace in the presence of his loving Savior.

Thank You for Helping Bring Our Cattle Home

The Grasshopper Herding Association would like to extend a heartfelt thank you to everyone who helped gather and trail our cattle home because of the Sand Creek and Bobcat Lakes fires.

From ranchers and cowboys to friends, volunteers, horsemen, truck drivers, and everyone who gave their time, equipment, and expertise—you showed up when we needed you most.

Getting cattle home is no small job, especially under the pressure of wildfire. Your hard work helped bring our cattle safely home.

We are incredibly grateful for every single person who lent a hand. Thank you for showing us what the Montana spirit is all about.

Stan Smith joins the 9/12 citizens organizations that have been a great part of keeping the focus on our heroes and victims of the attacks of 9/11 for 25 years.

A ceremony honoring those lost in the attacks of 9/11 twenty five years ago will be held on the site of the twin towers. September 11th events are being held for families of the victims and first responders exclusively.

On September 10th Stan Smith, Founding member of the Beaverhead White Hat Coalition, has been invited to attend an event for all those that supported families, first responders, our troops and veterans and helped in the wake of this tragic time in our history.

The White Hat Coalition was formed on September 19th, 2001 to coordinate community efforts with care packs, funds and prayers for those directly effected. Soon the Coalition, made up of many Dillon citizens started rallying the community in support of our young men and women serving in the military and placed on alert status.

Through the years since, Stan Smith has led the community in events such as fundraising auctions, concerts, prayer circles, parades, car shows and the ground breaking of the SW Montana Veterans Memorial as well as the DVFD Memorial Pavillion and thousands of "care pack" sendouts throughout the Iraq war to troops from Beaverhead county. Too many efforts to list with the all important help of VFW, American Legion, Patriot Guard Riders, Dillon Kiwanis, Elks Lodge, MYCA, Big Sky Cinema, 3D Store, KDBM, Dillon Tribune, Womacks Printing and many local businesses through the years.

After filming in Florida and Maine Stan will attend the event in New York City to help honor and remember our heroes and their families.

Stan shares his love and appreciation for all who have supported the efforts of the White Hat Coalition the last 25 years.
