The Ring Tones bell choir is looking for new members for the coming season!

Our first rehearsal will be Saturday, October 3, at 9 a.m. at First Presbyterian Church. We rehearse every Saturday and perform at the church on the final Sunday of each month. Ring Tones also takes part in community events such as the annual Community Sing.

Members are welcome to take months off when work, travel, school, or other commitments get in the way. We simply ask that when you join us for a month, you commit to that month's rehearsals and performance so the rest of the choir can count on you.

Ringers from middle school age through adult are welcome, and so are all skill levels. Being able to read music is helpful, but it isn't required. We have ways to help people participate even without that experience. That's how Matthew began!

More than anything, Ring Tones is about the joy of making a unique kind of music together. If you're enthusiastic, reliable, and interested in giving handbells a try, we'd love to have you join us.

Interested? Contact Matthew Yetter at 925-3112 or necsis@msn.com.

Health Minute

Smoked Oysters:

Smoked oysters are a nutrient powerhouse! They're rich in B12, zinc, iodine, magnesium, potassium, and Omega-3s. Enjoyed in moderation, they support brain health, thyroid health, prostate health and help lower inflammation throughout the body, with real cardiovascular perks: lowered blood pressure, improved vessel elasticity, and reduced LDL cholesterol and triglycerides. As with most things, sourcing matters and moderation is key.

Right now at Mighty Oak Mercantile, we're featuring a variety of flavors and styles from Ekone in Washington State. Sourced from Willapa Bay, these oysters are grown using the long-line method for the highest quality and to keep them free of sand and grit. They're harvested fresh, steamed and opened at the Ekone cannery in Bay Center, WA, then brined in small batches and smoked over maple chips on stainless steel racks. A true classic and time honored tradition that lets the oyster's flavors and natural benefits shine. Stop by between 12-2p today for a sample!

Good health is built day by day, starting with real food.

State Auditor James Brown Commends Federal Prosecutors

State Auditor James Brown applauds federal prosecutors for securing a guilty plea from a Connecticut man previously convicted of insurance fraud in Montana. The conviction follows an investigation by the Montana Auditor's office and other state and federal law enforcement agencies.

In 2024, the Auditor's office received a referral from the Montana Chamber Foundation claiming the organization bought prize indemnity insurance from Kevin Kolenda's company, Hole-in-Won LLC, for the 2023 Governors' Cup Golf Tournament at the Whitefish Lake South Golf Course.

The insurance was supposed to pay \$40,000 if a contestant made a hole-in-one on the insured hole during the tournament. However, Kolenda's company refused to pay after a contestant made a hole-in-one. In turn, the foundation had to pay the \$40,000 prize out of its own funds.

The foundation learned that the Auditor's Office previously investigated and prosecuted Kolenda for a similar insurance fraud scheme in Missoula County in 2010. That prior case resulted in a misdemeanor conviction and \$10,000 in restitution. The foundation also learned that Kolenda had recently been indicted by a federal grand jury for insurance scams in other states.

Investigators from the Auditor's office were prepared to testify at Kolenda's federal trial; however, Kolenda signed a plea agreement on September 15, 2026. The plea agreement calls for a sentencing guideline range of 46 to 57 months in federal prison, full restitution to Kolenda's victims, and a fine of \$10,000 to \$100,000. Sentencing is scheduled for December 15, 2026.

Angling closure lifted on Section 5 of Big Hole River

Due to improved flows because of rain over the weekend, the angling closure on Section 5 of the Big Hole River has been lifted. Section 5 extends from Tony Schoonen Fishing Access Site (Notch) to the confluence with the Beaverhead River. An annual fishing closure on the Big Hole River from Dickie Bridge to the Jefferson River will go into effect on Oct. 1 to protect trout during spawning seasons. These annual fishing closures also happen on sections of the Ruby and Beaverhead rivers. Anglers can reduce stress on fish at all times of the year by getting fish to the net or in hand quickly.

NOTICE OF BLACK BEAR CLOSURE BMU 411

By order of the Montana Fish & Wildlife Commission, the above listed hunting district shall be closed to hunting of ALL BLACK BEAR one-half hour after sunset on Thursday, September 24, 2026.

Jaiden Perez tallied at least 4.0 blocks for the fifth game this season.

Four Bulldogs hit over .250.

LEADERBOARD: Averi Look registered a game-high 13 kills while also leading Western with a .458 hitting percentage.

Sophie Worden paced all players with 24 assists.

Jaiden Perez put up a game-high 4.0 total blocks.

MATCH SUMMARY: The opening set featured multi-point runs from both sides, with the Bulldogs utilizing an 8-1 run in the middle of the set to take a 17-13 lead. The #16 Bruins clawed their way back into it and scored the final six points to go ahead 1-0 with the 25-22 set win. Bellevue jumped out to a big lead in the second frame and held on for the 25-18 set win and a 2-0 lead. The final period was a back-and-forth affair. The Bulldogs made a stand when down 19-23 to tie things up and force extra points, but BU managed to snag the set 26-24 and win the match 3-0.
