Driver Transported to Hospital After Vehicle C rashes Into Canal on Highway 43

Jeremy Crawford, Southwestern Montana News

A driver was transported to the hospital Tuesday afternoon following a single-vehicle crash on Highway 43 near mile marker 58. The crash occurred after the vehicle left the roadway and traveled into a canal.

According to information reported by law enforcement, the driver sustained minor injuries in the crash.

A-1 Ambulance responded to the scene, and the driver was transported to the hospital as a precautionary measure for further evaluation.

No additional information was immediately available regarding what caused the vehicle to leave the highway.

Southwestern Montana News will provide additional information if it becomes available.

Black Bears Removed During Investigation

Bears were heavily food conditioned and habituated to humans

Game wardens and wildlife staff with Montana Fish, Wildlife & Parks responded recently to a report of alleged supplemental feeding of wild black bears at a residence north of Bozeman.

On Sept. 24 and 25, investigators found bears on the property that were extremely food conditioned and habituated to human presence. Due to human safety concerns from the bears' behavior, 14 bears were captured and humanely euthanized. One cub was taken to FWP's Montana WILD facility in Helena for possible placement at an accredited zoo.

State law prohibits providing supplemental feed to game animals, including bears (MCA 87-6-216). Residents can help prevent conflicts with bears by not feeding them and by keeping garbage, bird feeders, pet food and other attractants secured at all times

MYCA & UMW to Host Airlift Event on October 21st

The Montana Youth Challenge Academy, in partnership with the Montana National Guard 1-189th (General Support Aviation Battalion) and the University of Montana Western, will host a statewide Educator Airlift on Wednesday, October 21, 2026.

This unique event brings together high school administrators, counselors, and staff from across Montana to experience the MYCA program firsthand. Attendees will gain insight into the Youth Challenge model of development, explore student success and graduation pathways, and learn more about UMW's Experience One program. Meanwhile, National Guard crews will complete essential aviation training.

Participants will fly in from areas across the state, including Missoula, Helena, and Billings. The event is designed to strengthen connections and awareness and help MYCA better serve Montana's youth.

As part of the day's activities, military helicopters are scheduled to land around noon on the south end of campus in the tailgating/parking area.

This will be an exciting opportunity to see aircraft land on campus, but it also requires some important safety measures:

The south tailgating/parking lot and the adjacent parking lot near the BARC will be closed during the event. Please plan ahead to park in a different lot on October 21 and move any of your parked vehicles from this area by 5:00 p.m. on October 20.

These areas must remain clear of all vehicles and individuals to ensure public safety, provide safe landing space, and to account for rotor wash from the helicopters as they land and take off throughout the afternoon on October 21.

The Emerick parking lot usually has spaces available as an alternative parking location.

We appreciate your cooperation in keeping these spaces clear and safe for this special event. For more information, please contact the Montana Youth Challenge Academy at 406-960-4424.

Montana Department of Justice uncovers \$2.4 million Medicaid fraud scheme

The Montana Department of Justice's Medicaid Fraud Control Unit (MFCU) recently uncovered nearly \$2.4 million in fraudulent Medicaid claims, the largest scheme the unit has uncovered in its history, Attorney General Austin Knudsen announced today.

On Sept. 15, a judge ordered Kevin Patrick Maxwell, a licensed clinical social worker and the former owner of Providence Mental Health Services (PMH) in Bozeman, to pay the state \$2,391,277.55 for defrauding Montana taxpayers. MFCU's investigation found that from January 2022 to November 2024, interns and non-licensed PMH staff, who were not authorized to bill Medicaid, provided mental health sessions that PMH then billed Medicaid. Additionally, PMH was not a licensed mental health center during a portion of that period, which is a requirement for mental health professionals seeking their licensure to bill Medicaid. Maxwell closed PMH in June 2025 and later moved to Texas.

MFCU filed a civil complaint against him for violations of the Montana False Claims Act. MFCU Agent Gary Herbst investigated the case, and Assistant Attorney General Alexandra van Belle litigated.

MFCU is part of the Montana Department of Justice's Division of Criminal Investigation, which is overseen by Attorney General Knudsen and is responsible for investigating and prosecuting healthcare providers who defraud the Montana Medicaid program or who abuse, neglect, or exploit patients in Medicaid-funded care facilities.

Montanans can report suspected cases of Medicaid fraud and patient abuse, neglect, or exploitation by calling the Medicaid Fraud hotline at 800-376-1115.

Veterans Corner Update #583

By Mike Lawson

Veteran News Updates:

• I lost a good Veteran friend, Bob Carlson, last Saturday. We had met in the 70s while working as Construction Boilermakers on various construction jobs. He was of Norwegian descent and loved to hunt and fish. He and I both went to Gold Hill Lutheran Church in Butte. One of our yearly traditional dinners that we put on (on the first Saturday in December) was and is a Lutefisk dinner with all the traditional Norwegian side-dishes and cookies. Cooking lutefisk correctly is a specialty that Bob, being from Minnesota, knew how to do and taught us how to do it right. It will continue on because of his instruction. Of course we'll have Swedish meatballs for those who aren't keen on eating fish. Bob was 87 and loved this country he served and will be missed.

• Veteran homelessness continues going in a downward trend. Since 2010 it has decreased 56%. The need is still there, but some encouraging statistics for 2025 to reduce Veteran homelessness include: 1) Permanently housing nearly 52,000 homeless Veterans. 2) Moved more than 25,000 unsheltered Veterans into interim or permanent housing. The goal is to have every Veteran be in a safe, stable, accessible and affordable place to call home. The National Call Center for Homeless Veterans is 877-424-3838

• A fraud alert: The latest fraud tactic aimed at Veterans is sending fake postcards claiming you're entitled to "extra VA benefits" or additional payments. Throw them in the garbage and report them.
