Montana Western Foundation Announces Establishment of the Terry Rae Hazelbaker Scholarship

The University of Montana Western Foundation is proud to announce the establishment of the Terry Rae Hazelbaker Scholarship by Terry's son, Jay Mattfeldt. Created in honor of his mother's legacy, the scholarship reflects Terry's lifelong dedication to education, service, and helping others succeed. Through this scholarship, Jay hopes to carry forward those values while helping ease the financial burden for students pursuing their education at Montana Western.

Terry was born on January 4, 1949, in Dillon, Montana, the first child of Clara and Theodore Hazelbaker. She was raised in Dillon alongside her two younger brothers, developing strong family ties that remained important throughout her life.

Terry attended Western Montana College, where she earned her degree in education and began a lifelong commitment to teaching and service. She later made her home in Colstrip, Montana, where she taught high school English for 33 years. Throughout her career, Terry touched the lives of thousands of students and colleagues, leaving a lasting impact through her dedication, kindness, and commitment to helping others learn and succeed.

Beyond the classroom, Terry was an active and engaged member of her community. She participated in Close Up, was involved with Women of the Moose, and served on the boards of various local organizations. Her generosity, leadership, and willingness to give back were evident throughout her life.

"My mom spent her life helping other people reach their goals, many times putting their needs ahead of her own," said Jay. "She truly believed in education and in giving everyone the opportunity to learn, no matter their background, beliefs, or opinions. One of the things I admired most about her was that education wasn't about telling people what to think—it was about giving them the knowledge and opportunity to think for themselves. She believed there was always value in learning more, listening to different perspectives, and trying to better understand the world and the people around us. I can't think of a better way to honor my mom than to help someone else pursue an education and, hopefully, go on to help others just as she did throughout her life."

The Terry Rae Hazelbaker Scholarship will award its first scholarship for the 2027–2028 academic year and will provide a \$1,000 scholarship annually. Eligible recipients must be formally admitted to the University of Montana Western, maintain a minimum 3.0 GPA, be a Montana resident, and major in Education. Preference will be given to students who demonstrate a strong work ethic, a commitment to their community, and leadership qualities.

Through the Terry Rae Hazelbaker Scholarship, Terry's legacy as an educator and community-minded leader will continue at Montana Western. The scholarship will provide meaningful support to future educators who embody the qualities that defined Terry's life: hard work, leadership, service to others, and a commitment to education.

Montana Tech Scholarship Applications Open

Montana Technological University, the state's STEM university, will open applications for many of its major scholarships on October 15. Students have until January 15 to apply for these scholarship opportunities.

Montana Tech awards more than \$1 million in scholarships to incoming first-year students annually.

Scholarship applications are located on each student's personal URL, or PURL, page, which is generated after they submit an application for admission. Scholarship applications will only appear on the PURL pages of students who meet the eligibility criteria.

Students who need help obtaining their PURL login information can contact admissions@mtech.edu or 406-496-4791.

Scholarships accepting applications include:

- Marie Moebus Presidential Award
- Shirley Paxson Endowed Scholarship
- Robert Toshoff Alumni Association Scholarship
- Solvay Engineering for Environmental Protection Scholarship

Montana Tech also awards several Oredigger Merit Scholarships. No scholarship application is necessary. Awards will be determined based on the information provided on students' application for admission.

Students must apply to Montana Tech before March 1 to be considered for Oredigger Merit Scholarships.

The Lance Scholars Program annually provides 50 in-state students with a \$4,000-per-year scholarship, renewable for up to three additional years for a total of up to \$16,000. Applicants are asked to answer in three to five sentences: "During your time at Montana Tech, what is one thing you would like to learn or experience that has the ability to effect change in the world?"

The Lance Scholars Program has a Feb. 15 application deadline. Students must complete the Free Application for Federal Student Aid, or FAFSA, by Feb. 1 to be considered.

Bighorn Sheep Restoration Advisory Panel to Meet

Montana Fish, Wildlife & Parks' Bighorn Sheep Restoration Advisory Panel will hold its first in-person meeting on Oct. 22 and 23 at the Region 3 Office in Bozeman.

The meeting will run from 9 a.m. to 5 p.m. Thursday, Oct. 22, and from 8:30 a.m. to 4 p.m. Friday, Oct. 23. Meeting times are approximate and subject to change.

The link to the zoom meeting is available on the FWP website.

The advisory panel was convened to provide input and recommendations on strategies for restoring bighorn sheep populations in Montana, particularly in areas that are predominantly private land.

For more information about this advisory panel or the upcoming meeting, please contact Kelly Proffitt at kproffitt@mt.gov.

Join us for our monthly meeting on October 22nd!

Join us from 5:30-7:00 pm October 22nd at the Sheriff's Annex Conference Room to discuss current projects, grants, and general happenings of BTC. We have a lot happening right now from building a bike skills park to the BLM trail expansion proposal to "in town" trail connections. This is a great opportunity to learn how to become more involved through committee work or volunteer events.

Setting Trail Priorities, A Community Conversation

November 4th 6:30-8:30pm @ STC Great Room, UMW

The BTC Board has been busy working on the next strategic plan. Join us November 4th from 6:30-8:30pm at the STC Great Room, UMW for an interactive conversation to help us set project priorities. We'll be looking at maps, drawing trail and route options, and taking your suggestions for the next projects we should tackle to improve walking, biking, hiking, running around Dillon. We hope to see you there!

Trail Head to Trail Head Connector Trail

You may have noticed a new trail up on the hill along 10 Mile Road. Thanks to the DNRC Fire Crew and a few dedicated volunteers the Trail Head Connector is nearly complete. The trail is now complete to the Tim's Ridge gate! Be advised that there are a few steep sections that still need work. Thanks to all the hard volunteer work that has gone into this! Almost one full mile of new trail that helps keep people off the busy dump road. Wow!

Letter to the Editor

I'm proud to support Representative Shannon Maness for reelection to Montana House District 70.

I've gotten to know Shannon well over the past year and a half, and what impresses me most is his dedication to the people he represents. Shannon is a hardworking small-business owner who understands firsthand the challenges Montana families and businesses face every day.

What I really appreciate about Shannon is that even after serving in the Legislature, he continues attending legislative training sessions, learning everything he can to become a better representative. I've attended many of those events alongside him, and I've seen his commitment firsthand.

Shannon is a solid constitutional conservative who believes in limited government, fiscal responsibility, individual liberty, and protecting our Montana way of life.

We need more people like Shannon in Helena who are willing to put in the work, stand their ground, and do what's right for the people they represent. I encourage the voters of House District 70 to send Shannon back to Helena, and I look forward to serving alongside him in the Legislature.

Trevor Walter Representative-elect,
 Montana House District 69

Rotary Club Luncheon Wednesday, October 21st

at 12 Noon at Barrett Hospital Foundation Conference
Room, 90 MT Hwy 91 S. in Dillon!

The Dillon Rotary Club will host a presentation on Constitutional Initiative 132 (CI-132) on October 21st at 12:00 noon in the conference room at the Pioneer Building, the small brick building next to the clinic. The presentation will explain CI-132, a proposed constitutional amendment that would ensure Montana's judicial elections remain nonpartisan. Montanans believe judges should be elected based on their record and qualifications, which is what we have been doing for about 90 years. We need independent courts to keep judges accountable to the Constitution and not to political parties and their money. All are welcome to attend and learn more about CI-132. Please join us and ALL ROTARIANS are encouraged to attend.

Beaverhead County Study Commission

PUBLIC FORUM

Tuesday, October 20th

7 p.m.

Beaverhead County Courthouse Commissioners Room

Beaverhead County Comparison of Specific Government Form Duties

CHARACTERISTIC	PRESENT FORM OF GOVERNMENT	PROPOSED FORM OF GOVERNMENT	EVALUATIVE COMMENTS
FORM OF GOVERNMENT	COMMISSION FORM Merges legislative, administrative and executive functions in commission	CHARTER-COMMISSION Charter is a local constitution and describes a commission form of government.	Commission form is written into the Charter. Basic change is that county gains self-governing powers and flexibility to respond to the citizens' concerns.
POWERS	GENERAL GOVERNMENT POWERS State Law defines what government may do and specifically how it shall do it. Very limited local power to pass ordinances.	SELF-GOVERNMENT POWERS County government shall exercise any power which the state does not deny. Local government gains more ordinance-making authority. Brings the power of government back local vs. at the State level.	Self-government powers bring to the county the power to act in its own best interest, and flexibility in shaping government structure.
FLEXIBILITY TO ADDRESS CITIZENS' CONCERNS	Limited form of government to address citizens' concerns with regards to ordinances, etc.	Self-Governing Power form of Government.	Commissioners will have more power to: • Provide services not permitted by the legislature. • Lawfully acquire and operate utilities (gas, electric) within and outside of boundaries of the county. (solar farm?) • Greater authority to dispose of public lands. • Authority to provide more ordinances that address citizens' concerns.

There are no changes to the following: Governing Body size, Election, Term Presiding Officer, Duties, Other Elected Officials, Chief Administrative Officer, Appointment Powers, Budget Preparation, or Service Delivery.

A SELF-GOVERNMENT CHARTER IS A LOCAL GOVERNMENT EQUIVALENT OF A STATE OR NATIONAL CONSTITUTION. IT PUTS THE POWER INTO THE HANDS OF THE VOTERS ON THE LOCAL LEVEL.

Ballot on the Alternative form of Local Government

Instructions to voters: Place an "X" in the boxes which express your preferences. Make sure to read your ballot! Some ballots choices may be switched!

[] For adoption of the commission form of government with a self-government charter proposed for Beaverhead County proposed by the Beaverhead County Local Government Study Commission.

[] For the existing commission form of government.
