9th Year of the Beaverhead Maze & Pumpkin Patch

Celebrating 250 Years of America Freedom brought to you by Nicole Hull and her crew!

The community is certainly lucky to have the Beaverhead Maze as an activity each fall as they reach the half way point in their season.

The hours of operation are: Friday - Sunday 12- 8 PM and by appointment through November 1st. The cost is \$7 per person admission and 2 years old and under is Free!

Nicole wanted to give a big thank you to the most amazing neighbors. They have been able to hold this event for the community and expand with the corn maze back because of their support and generosity. We couldn't do it without them.

The 8th annual Maze of Brews had a fair turnout despite the cold and rainy weather that night.

Be sure to come out to 4565 Hwy 41, 4.5 miles north of Dillon on Hwy 41. We have mini maze, grain cart basketball, expanded corn pit, duck races, bouncy houses, corn maze and Coffee Works is there with their trailer and there are pumpkins for sale as well.

Visit the website and socials for updates

beaverheadmazeandpumpkinpatch.com

Haunted Maze is October 30th and 31st and has recently become their biggest event. The cost is \$15 per person which includes multiple trips through the maze. The 7 - 8 pm is not as scary and the 8-10 pm is recommended for older kids and adults.

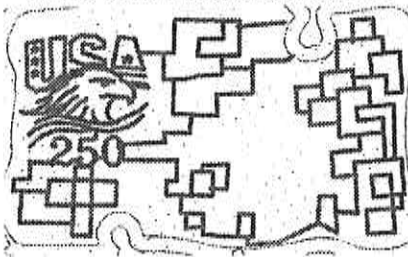

Call or text for questions, set up private parties or make appointments outside of regular hours 406-579-7955.

Watch for an amazing upcoming event to support the community.....

THANK YOU for all the support! It means we can return year after year, **Your local maze & pumpkin patch.**

Montana Western Women's Basketball Adds Kiera Cox to Coaching Staff

Montana Western Women's Basketball has added Kiera Cox as an assistant coach ahead of the 2026-2027 season, head coach Ryan Sullivan announced Monday.

"We are incredibly thrilled to welcome Kiera Cox to our coaching staff here at the University of Montana Western," Sullivan said. "Kiera is a dynamic, young coach who brings a tremendous amount of positive energy to our program every single day."

Cox comes to UMW from Minnesota State Community and Technical College in Fergus Falls, Minn., where she played basketball from 2022-2024. Prior to her time at M State, she began her coaching career at Eagle Ridge Academy in Minnetonka, Minn., serving as the JV head coach and varsity assistant during the 2021-2022 season.

Cox earned her Associate of Arts degree in Liberal Arts and Science in Fall 2025. She continued her education by earning her coaching certificate the following semester.

"What stands out the most about Kiera is her relentless eagerness to learn and grow as a professional paired with the fact that she has already built fantastic, authentic connections with our players. She understands our team culture, and her ability to relate to the girls will be invaluable as we continue to build something special here in Dillon," Sullivan said.

TOWN PUMP MATCH HELPING THE FOOD PANTRY

It is that time of year again, and the Town Pump has graciously offered to provide a match up to \$20,000.

As we're sure you know, the cost of food keeps climbing and we are helping more families. We also know this if affecting each and every one of us.

Here at the Food Pantry, we have dedicated volunteers who work tirelessly to keep the Pantry running. We are a totally volunteer staff. We also have valuable organizations in town that when we need assistance with a forklift or they have milk to donate, they step right up and help us.

We would truly appreciate you helping us reach our goal of \$20,000 in cash donations. This is what we can bring in from September 1 – November 30, 2026. If we reach the \$20,000, Town Pump will match that amount.

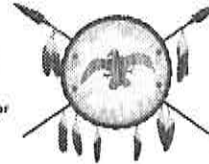

We use these funds to purchase milk, produce, eggs, yogurt, cheese, canned goods, and meat. We are a non-profit 501(c)3 business. We will send out receipts for tax purposes in January 2027.

Please make checks out to Beaverhead Community Food Pantry, or BHC Food Pantry, and send to P.O. Box 1356, Dillon, MT, 59725. Thank you very much,

The Beaverhead Community Food Pantry

Cacao~

Ceremonial Cacao: Chocolate the Way Nature Intended

Ceremonial grade cacao is chocolate in its most whole, honest form. It's made from cacao beans that are fermented, dried, and gently ground, with none of the heavy processing, alkalizing ("Dutching"), or added sugar found in most conventional cocoa. That light touch matters, because it keeps more of the bean's natural nutrition intact. Cacao is one of the richest food sources of magnesium, a mineral that supports muscles, nerves, sleep, and energy. It also offers iron, zinc, copper, manganese, potassium, and fiber, along with healthy fats from the cocoa butter that make each cup satisfying and grounding.

Cacao is also packed with polyphenols, especially a group of antioxidants called flavanols. Research has found that cocoa flavanols protect cells from oxidative damage and encourage healthy blood flow by helping blood vessels relax and stay flexible, which is good news for your heart and brain, which depend on steady circulation to stay sharp. For mood, cacao contains theobromine, a gentle, heart-opening stimulant that offers a smooth lift without the jitters or crash of coffee, along with only a small amount of caffeine. It also carries compounds like phenylethylamine (PEA) and anandamide, sometimes called the "bliss molecule," which may help explain why a warm mug of cacao feels like a hug from the inside.

Here at Mighty Oak, we've brought in a beautiful lineup of herbal hot cocoas from Wilderness Maven Apothecary, Sun Potion and Kaizen. Anandamide with Ashwaganda, Maca, Rose, Turmeric and warming spices. Chaga Rose Chocolate which blends antioxidant-rich chaga mushroom with soft, floral rose. Dandelion Chocolate adds the deep, earthy notes of dandelion root, and Golden Chocolate brings in the warmth of turmeric for a cozy, spiced cup. They're perfect for chilly Montana evenings, slow mornings, or a thoughtful gift. Come down for a gander, and treat yourself and those you love to a cup of something good. Closure on part of upper Big Hole River lifted

A fishing closure has been lifted on a section of the upper Big Hole River. The closure area extended from Saginaw Bridge on Skinner Meadows Road upstream to the confluence with the North Fork of the Big Hole River. The closure began Aug. 12 due to low flows and in accordance with the Big Hole River Drought Management Plan.

Flows in that section of the river have improved, and the closure has been lifted. Yearly fishing closures related to spawning remain in effect for other sections of the Big Hole River.

FWP seeks high school student for panel

Montana Fish, Wildlife & Parks' Future Fisheries Citizen Review Panel is seeking a current high school student to fill a two-year term.

FWP's Future Fisheries Improvement Program (FFIP) grants approximately \$1 million annually for projects to improve and restore Montana's wild fish habitats. The 14-member citizen review panel meets twice a year to review proposals and recommend projects to the Fish and Wildlife Commission for funding.

Panel members are appointed by the governor, or his representative, and must represent a variety of interests including conservation districts, commercial agriculture, irrigated agriculture, silviculture, fisheries restoration, Montana anglers, members of the Montana House of Representatives and Senate, high school students, mining reclamation, fisheries and one ex-officio member from the Montana Department of Transportation.

For more information, contact Bailey Duxbury at (406) 565-6995 or FWPFFIP@mt.gov or visit the website svc.mt.gov/gov/boards/ and use the dropdown for the Future Fisheries Review Panel. Applications are located at <http://svc.mt.gov/gov/boards/apply.aspx> and the position is open until filled.

Letter to the Editor

Supports All Three Initiatives

I am writing to refute information shared in previous papers about the initiatives on the ballot. Citizen initiatives are our direct voice and are provided for in our Montana Constitution. They are an opportunity for Montanans to address issues of importance. The legislature is not meant to be the only tool with which to shape Montana law.

Five Beaverhead County residents collected signatures for these initiatives. We were not paid. We volunteered our time because these issues are important. We willingly answered all questions put to us and encouraged people to do research for more information. In addition, I-194 held an open forum for the community to bring their questions and learn.

Initiatives, like I-194, propose changes to law, not the Constitution. 74% of Montanans agree that money in politics is corrupting. I-194 states that only actual individuals may make political contributions. This will eliminate donations from organizations, nonprofits, unions, businesses, and corporations both in and out of state. Businesses may still express beliefs and post signs. The business owners and organization members may still exercise their free speech rights and donate. There is no tax benefit for a business to make a political contribution.

Constitutional Initiatives, like CI-132 and CI-133, propose changes to the Constitution. The framers knew that change is necessary and created the processes for it to keep our democracy relevant and alive.

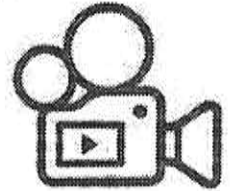

CI-133 works to keep our right to create Initiatives when we feel there is an urgent need.

CI-132 will protect our judicial elections from partisanship. Judges take an oath to rule with fidelity to our Constitution and laws only. Party politics should have no place in the courtroom.

I strongly support these three initiatives and urge you to support them as well.

TALK OF THE TOWN

FICK FACULTY SPEAKER SERIES

THE UNIVERSITY of MONTANA WESTERN

DR. JOHN HENRIS
ASSOCIATE PROFESSOR OF U.S. HISTORY

The University of Montana Western is proud to announce the third event in the "Fick Faculty Speaker Series", celebrating faculty innovation across teaching, research, and scholarship.

Dr. John R. Henris will present "Fisheries and Progressive Era Conservation in Dillon and Southwest Montana, 1898–1920", focusing on the seasonal summer "fish trains" operated by the Oregon Short Line (Union Pacific) between Butte and Dillon, and sometimes Armstead, from 1898 to 1920. More broadly, he will explore how Dillon and Beaverhead County residents actively participated in the development of recreational fisheries in Montana during the Progressive Era.

WEDNESDAY, NOVEMBER 4

5:30 - 7:30 PM | ANGLER VILLAGE - 335 S. ATLANTIC

The Fick Faculty Speaker Series is more than a lecture series—it is a bridge between campus and community. By highlighting innovative faculty work, the series fosters collaboration, celebrates experiential learning, and reflects Montana Western's commitment to student success.
