BCHS Choral Ensembles and Jazz Band Annual Fall Concert, Oct 28, 2026

Beaverhead County High School's Choirs, and Jazz Band will present their Fall Concert in the BCHS Auditorium on Wednesday, October 28th at 7:30pm in the BCHS Auditorium. The concert is free to the public.

The Jazz Band, conducted by Mrs. Katie Raffety, will perform several selections. Jazz Band offers students of high level musicianship the opportunity to collaborate on music within the jazz genre and often features soloists.

The Choirs, conducted by Mrs. Carolyn Van Slyke, will perform a wide variety of songs. Singing in choir offers students the opportunity for vocal training, musical literacy, and personal growth. Singers learn to collaborate to bring music to life and have fun in the process.

Six BCHS students participated in All-State Honor Choir in conjunction with Montana Music Educator Convention in Great Falls, October 14-16. Students were selected from hundreds of other Montana high school musicians who auditioned last spring. Congratulations to Cooper Clarke- Bass I, Leah Kenealey- Soprano II, Sariah Hannah Kidd-Soprano I, Kyle McLaughlin- Bass I, Lily Malesich-Soprano II., and Stephanie Pape- Soprano II.. They worked with an outstanding director, Dr. Lee Nelson from Wartburg College and enjoyed a wonderful experience at Montana All State Choir!

The band and choir students are fundraising this month. Students use the funds they raise for music related costs: reeds, instrument repair, uniform costs, music activities and meals during travel. Ask them about what is available. Thank you for supporting and encouraging the music at Beaverhead County High School! We appreciate your support of the arts in Beaverhead County.

Come join us for a night of great music!

Montana Western Students to Present on Pilchuck Glass School Summer Experience

Join the University of Montana Western's Glass Program for a presentation highlighting the experiences of four UMW students who studied at the renowned Pilchuck Glass School during the summer of 2026. The presentation will take place Wednesday, October 28, from 5 to 6:30 p.m. at UMW's Emerick Art Studio, located at the corner of Poindexter and Atlantic streets.

Students Jessica Dixon, Madison Gillette, Ansley Nordberg, and Ella Stoddard received Mary Baker Emerick scholarships to attend Pilchuck Glass School in summer 2026, where they had the opportunity to study with some of the world's leading glass artists and instructors. Located in Stanwood, Washington, Pilchuck Glass School is internationally recognized for its innovative programming and role as a global center for glass art education. From May through September, Pilchuck's Summer + Fall Program offers a series of courses and artist residencies across a variety of media.

Jessica, Madison, Ansley, and Ella will share their experiences in a presentation and discussion that is free and open to the public. A social with light refreshments will take place before the presentation. The UMW Glass Program thanks the University of Montana Western Foundation for making this event possible.

"Attending summer intensive classes at Pilchuck Glass School is a transformative experience for glass students, made possible through the UMW Foundation and the Emerick Trustees," said Heather Reedy, UMW adjunct instructor and Fine Arts Gallery curator. "Students benefit from high-level instruction with renowned artists from around the world and build professional artistic connections that will last a lifetime. When they return to Western, the students further enrich the learning environment by sharing their new skills, connections, and experiences."

For more information, please contact Special Events and Alumni Coordinator Jolene Robbins at jolene.robbs@umwwestern.edu.

Kennedy Lingenfelter Named Frontier Conference Volleyball Attacker of the Week

Montana Western's Kennedy Lingenfelter picked up Erck Hotels / Frontier Conference Women's Volleyball Attacker of the Week, the league office announced Monday.

The award marks the first conference weekly honor of Lingenfelter's career and fourth-straight weekly honor for the Bulldogs.

"Really excited for Kennedy to be acknowledged for all of her hard work," head coach Katie Lovett said. "She's been really reliable for us recently and this past week she was on another level."

Lingenfelter was outstanding last weekend, leading the Bulldogs to another 2-0 road week and seven-straight victories.

The sophomore totaled 33 kills across nine sets (3.67 kills per set) and hit a blistering .533 clip with just one total error.

She opened the week with 15 kills and a .424 hitting percentage in UMW's 3-1 win over Bismarck State Friday.

The Clovis, Calif., native followed that with career highs in both kills (18) and hitting percentage (.667) in the five-set victory over Dickinson State. Her 18 kills came on 27 error-free swings.

She also posted 5.0 total blocks and four digs on the weekend.

Dates: November 2 & 3 at 7:00 PM in Beier Auditorium, University of Montana Western. Rated R: Intended for mature audiences. Viewer discretion is advised.

Join us for an impactful evening that honors survivors, builds understanding, and reminds our community that no one is alone.

Veteran's Corner

By Mike Lawson

Veteran News Updates:

• Our Marine Corps League Det #724 kicked off our Butte Toys For Tot's Butte Campaign this past Wednesday. This Campaign covers Silver Bow County, Beaverhead County, part of both Madison and Jefferson counties. We had this kickoff luncheon at our Marine Corps League building, the "Hooch". It was well attended by local support organizations, the news media and volunteers. MacKenzie River donated pizza and salad and are great sponsors of this event. We have many toy and money donation boxes all across Butte, Dillon, Ruby Valley, Whitehall, etc., in locations which are generous in allowing us to do so.

• The other thing you might see around town is a Marine Corps Ball poster on a bulletin board in different business establishments. Anyone is invited and it will be on November 14th at the Depot starting at 5:00 pm for a social hour. The program will start at 6:00 followed by dinner. Metal's Catering will be providing the food and Eddy Dawson will be doing the DJ music. Our Key Note speaker will be retired Marine Colonel Brian Gilman who created the organization Veterans over Quite Waters. We'll also have a silent auction and other fun activities. You can scan the QR code on the poster to buy a ticket or contact me, Mike, at 406-560-3591.

• The VA's "2026 VA Federal Benefits Guide for Veterans, Dependents, Survivors, and Caregivers" pamphlets are now available. This guide provides information on benefits and services currently available by law and regulation. Some examples are: Compensation, Life Insurance, Pension and fiduciary services, Education benefits, Economic development and employment, Home loan guaranty programs and housing assistance, Mental health resources. It's worth checking out and seeing if you or a loved one could use one of these benefits.

• The Veterans on disability will see an increase of 3.6 % because of COLA. This is good news as we see prices increasing on many things we buy that are essential in our lives, such as gas/diesel.

• Agent Orange month is October. The Agent Orange newsletter is on line and loaded with information. Check it out.

Time to bring this to a close. May this week be a great one for each of you. Dress warm and enjoy this great fall wherever you are.

Until next time, take care.

9/1-10/31 BILL

KOBI CRADDOCK

STATE REPRESENTATIVE | HOUSE DISTRICT 70 DEMOCRAT

STRONG AG. STRONG MONTANA.

BACKGROUND

Fifth-generation Montanan from the Ramsay area. Small cattle producer. Journeyman plumber and pipefitter. UA Local 41 member. I have worked in the trades and as a foreman. I believe good decisions start by listening to the people doing the work, understanding the problem, and finding a practical way forward.

WHAT I WANT TO WORK ON

AGRICULTURE & LOCAL FOOD

Strengthen the connection between Montana producers and consumers. Expand direct-to-consumer opportunities, pursue practical in-state meat inspection, put more Montana food in schools and public institutions, and improve help during drought and wildfire.

WORKFORCE & THE TRADES

Protect Montana's skilled workforce, prevailing wages and the right to organize. Oppose Right-to-Work and expand apprenticeships and career and technical education, including opportunities for students in smaller communities.

WATER, FORESTS & WILDFIRE

Respect senior water rights and keep agriculture at the table. Support responsible forest management that protects watersheds, reduces dangerous fuel loads and supports Montana jobs.

AFFORDABILITY & PROPERTY TAXES

Work toward lasting property-tax solutions instead of shifting the burden. Working families, retirees, farmers and ranchers should be able to afford to stay in the communities they helped build.

COMMON GROUND & GOOD GOVERNMENT

Good ideas can come from either side. Build relationships across the aisle, strengthen rural Montana's voice, and judge legislation by what it actually does for the people of House District 70.

PUBLIC LANDS, ACCESS & CONSERVATION

Keep public lands in public hands. Protect access while respecting private property. Bring landowners, sportsmen, producers and conservation groups together on workable solutions, including corner crossing.

CONSTITUENTS FIRST

Listen before voting, stay accessible outside election season and explain where I stand. I will disagree with my own party when I believe the district is better served by another course.

**The Beaverhead County Republican
Central Committee encourages you to Vote NO on the
following Initiatives:**

Save this list for reference!

CI 132-

- Supreme Court Judges should be elected on their party affiliations so we know where they would stand on the issues at hand.
- **VOTE NO on CI 132**

CI 133-

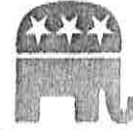

- This initiative would circumvent the Montana Legislature and Constitution.
- Out-of-State interests would buy and pay for petition signing and the gatherers, giving out misinformation.
- Millions of dollars would be spent to go around our form of Government and change our Laws.
- **VOTE NO on CI 133**

CI 194-

- Would harm Free Speech in Montana by imposing extreme penalties on people or groups (such as Farm Bureau and local citizens) for engaging in Free Speech.
- Out-of-State entities would not be under this rule and could proclaim whatever they wanted.
- **VOTE NO on CI 194**
