## Awards Reflect Exemplary Efforts in Community

The Be the Change 406 Coalition hosted its' annual communal gathering of friends and supporters November 4th in the Lewis and Clark Room at UM Western and gave out a series of youth, adult, and business awards honoring different attendees.

Sandi Sloan, a longtime Be the Change supporter, was the evening's keynote speaker and focused on how impactful one caring adult can be in a child's life. Today's actions often have far-reaching and positive influences in children's futures, she said.

Beaverhead County High School students Landen Wendland and Will Anderson along with Lima School's Kiersten Bernard received Student Service Awards for their exemplary leadership among their peers.

Local educator Ali Curnow, Dillon Police Officer Eric Pedersen, and Kids Ministry Pastor Stephen Knight received Youth Impact Awards for their mentoring and volunteer involvement in the Dillon schools and community. A large contingent of area youth showed up at the dinner to specifically show their support for Knight's youth focused outreach and engagement.

Beaverhead County Attorney Sky Jones and Resource Assistance Center Coordinator Pat Scott each received a Community Impact Award for their time, effort, and leadership in broad community support services.

Former Barrett Hospital Clinical Officer and now Be the Change board member Carol Kennedy received the Coalition's Outstanding Individual Award.

Melainya Ryan, of Vibrant Lives, and Lilia Guillen-Sanchez and Katie Coppin of the Beaverhead County Health Department each received Corporate Community Impact Awards for their agencies' proactive positive health efforts throughout Dillon and Beaverhead County.

The final awards of the evening went to two highly involved parents of youth engaged in the Be the Change 406 Coalition, Kate Anderson and Alicia Wendland. Both Anderson and Wendland spent innumerable hours this last year engaged in various Coalition activities that benefited county-wide youth.

The Be the Change 406 Coalition is a youth-led substance prevention organization dedicating to creating a safe and healthy Beaverhead County. The coalition empowers young people to make positive choices through evidence based education, community advocacy, and substance free activities.

## Montana Western Partners with Beaverhead EMS to Offer EMT Course for College Credit

For the first time, University of Montana Western students have the opportunity to earn college credit while completing Emergency Medical Technician (EMT) training through a partnership between Montana Western, Beaverhead Emergency Medical Services and the university's School of Outreach.

The course, ECP 131 Emergency Medical Technician with Clinical, began Aug. 26 and runs through Dec. 9. The class includes eight participants, including four Montana Western students and community members. Three UMW students are enrolled for college credit, while another is participating without credit.

The opportunity is the result of two years of collaboration between Montana Western's Health and Human Performance (HHP) department, the School of Outreach and Beaverhead EMS.

Janelle Handlos, HHP faculty member and lead on the university's involvement, said the idea grew out of previous experiences with UMW students completing EMT training through Beaverhead EMS. While the training provided valuable experience for students pursuing healthcare careers, the time commitment and cost could be barriers.

After a student expressed interest in completing EMT training as part of his preparation for graduate study in athletic training, Handlos began exploring the possibility of offering the course for college credit.

Working with Ryann Gibson in the School of Outreach and Beaverhead EMS, the group coordinated scheduling, course fees, credit approval and student recruitment to make the first offering possible.

The course emphasizes hands-on learning and real-world experience, with students participating in classroom instruction, skills practice and scenario-based training. Activities have included a multi-vehicle mock accident, pediatric training with live patients, interactions with geriatric patients at local assisted living facilities and envenomation training involving live rattlesnakes.

Students also have opportunities to work alongside local emergency response agencies, including the Dillon Volunteer Fire Department, Dillon City Police Department and Beaverhead County Sheriff's Office. Additional training has included extrication exercises and helicopter landing zone instruction with Life Flight Network.

Brenda Kirkley, EMT Lead Instructor for Beaverhead EMS, said the community's involvement has played an important role in providing students with realistic training opportunities.

Kirkley emphasized the importance of hands-on experiences in preparing students for emergency medical work, including clinical experiences in hospital emergency rooms and ambulance ride-alongs.

Throughout the course, students will complete 120 hours of classroom instruction and hands-on training, along with required clinical experiences in hospital emergency room and prehospital settings.

Upon successfully completing the course, students will have the knowledge and preparation needed to take the National Registry of Emergency Medical Technicians (NREMT) exam. Those who pass the exam may then apply for their Montana EMT license.

In addition to lifesaving skills, Handlos said students are gaining experience in interprofessional collaboration, healthcare ethics, communication and service to others.

Students from several academic programs, including Kinesiology, Biology, Natural Horsemanship and Psychology, have participated in the course.

Kirkley noted that the need for trained emergency medical personnel continues at the local, state and national levels. She hopes opportunities like this will help prepare the next generation of emergency responders.

With the first semester underway, Montana Western hopes to continue building on the partnership and provide students with additional opportunities to pursue EMT training while earning college credit.

## UMW Women's Cross-Country Places Fourth, Men Finish Ninth at the Frontier Conference Championships

The Montana Western cross-country teams finished their 2026 season at the Frontier Conference Championships Friday morning. The women's team placed fourth in the 6k while the men's team finished ninth in the 8k.

The fourth-place finish for the Bulldog women secured their highest team placement since 2024. On points, they tied for third with Dickinson State but were beaten on the tie breaker.

"Our women's team had a really strong performance with eight of our 10 women running PRs," head coach Taylor Grove said. "They worked hard all season and pushed each other in practice and it really showed today. Our men ran a solid race today as well. I don't think it went quite as we were hoping for, but they still ran well as a team, going out strong and running together as we've practiced throughout the season."

In the 6k, Natalee Stevens ran a 23:25.4 to place 16th out of 86 runners. The time marks a personal-best and her fifth time as the Bulldogs top finisher this season.

The top men's finisher for the Bulldogs was Ryker Zuffelato, who turned in at 27:51.6 in the 8k to finish 49th out of 96 runners. It marks his fifth race as the top finisher this season.

BEAVERHEAD COMMUNITY
FOOD PANTRY
HUNGER KNOWS NO SEASON

# Help turn $20,000 into $40,000 for food.

**TOWN PUMP MATCH | GIVE BY NOVEMBER 30, 2026**

Town Pump has offered to match financial donations to the Beaverhead Community Food Pantry, dollar for dollar, up to $20,000. Donations received September 1 through November 30, 2026, count toward our goal. Raising the full $20,000 means $40,000 to help stock the pantry.

Our pantry serves about 150 families each week. As food costs rise and more families need help, your gift helps us purchase milk, produce, eggs, yogurt, cheese, canned goods, and meat.

The pantry is run entirely by volunteers, with local businesses and organizations lending equipment, donating food, and helping when needs arise. This match is another way our community can keep food available for families who need it.

## THREE WAYS TO GIVE

Online: Visit www.beaverheadfoodpantry.org, open Donations, and use the PayPal Donate button.

By mail: Make checks payable to Beaverhead Community Food Pantry or BHC Food Pantry. Mail to P.O. Box 1356, Dillon, MT 59725. Please allow time for your gift to arrive by November 30.

In person: 131 E. Helena St., Dillon. Call 406-660-4500 to arrange a donation drop-off.

Beaverhead Community Food Pantry is a 501(c)(3) nonprofit. Donation receipts for tax purposes will be sent in January 2027.

**Thank you for helping us make the most of this match.**
