Beverly Kay Figgins, 77

Beverly Kay (Figgins) Bryson was born December 4, 1948, to Willie J. and Dorothy (Williams) Figgins of Bozeman, Montana.

Bev was at heart a cowgirl. She enjoyed her time at her grandparents' Don and Rosa Williams place on the Madison outside Three Forks. They instilled a strong work ethic in teaching her at first to earn a bridal, then a saddle and finally her first horse Smokey by working on the ranch with them.

During her time spent with her grandparents she met Jim Bryson. They married in 1968 and had two children, a son JD and a daughter Cody. They later divorced.

Bev was a talented cook and baker, preparing many meals and treats for her loved ones and friends. Her children have fond memories of coming home from school to her famous Krumkake cookies.

Bed was a gentle and compassionate person. This showed I her loving care for her grandparents and her father in their later years. Beverly had a heart for helping others and found great joy in taking care of people, especially children facing medical challenges. Her compassion extended far beyond her own family and friends. She faithfully supported organizations such as St. Jude Children's Research Hospital, Shriners Hospitals for Children, Shodair Children's Hospital, and many others. Giving to these organizations was one of the ways Beverly showed her love and concern for those who needed it most.

Above all, Beverly's faith in Jesus Christ was the stronghold of her life. She was baptized as an infant on May 3, 1961, and her faith remained an important part of who she was throughout her life. The Bible her parents gave her was a treasured possession, one she cherished dearly until the very end. Beverly was also a treasured member of Living Water Lutheran Church in Dillon, where she found fellowship and a church family rooted in faith.

Bev was proceeded in death by her parents Willie and Dorothy as well as her special friend Charlie Hahnkamp.

Bev is survived by her brother Bob (Billlie) Figgins Kingman Az, her sister Rosalea Figgins (Ron Abelin) Whitehall, her children JD Bryson, Cody (Rob) Balke, and her grandson Colton (Emma) Balke. She is also survived by her nephews Rob Haines, Don Figgins and Scott Abelin and their families who were very dear to her.

Beverly will be remembered for her caring heart, her generosity toward others, and the faith that guided her throughout her life. Her kindness touched many lives, and the love she gave so freely will continue to live on in the hearts of those who knew her.

Join us for our monthly meeting on November 19th!

Join us from 5:30-7:00 pm November 19th at the Sheriff's Annex Conference Room to discuss current projects, grants, and general happenings of BTC. We have a lot happening right now from building a bike skills park to the BLM trail expansion proposal to "in town" trail connections. This is a great opportunity to learn how to become more involved through committee work or volunteer events.

Giving Tuesday- December 1st

On December 1st we'll be fundraising as part of Giving Tuesday! Keep your eye out for an email and our social media for opportunities to donate to BTC and be entered to win great prizes!

Trail Head to Trail Head Connector Trail

You may have noticed a new trail up on the hill along 10 Mile Road. Thanks to the DNRC Fire Crew and a few dedicated volunteers the Trail Head Connector is nearly complete. The trail is now complete to the Tim's Ridge gate! Be advised that there are a few steep sections that still need work. Thanks to all the hard volunteer work that has gone into this! Almost one full mile of new trail that helps keep people off the busy dump road. Wow!

MYC Cadet Work

Thanks to all the MYC Cadets that have helped out on Thursday evenings this fall helping clean up the High Trails! They've pulled mountains of weeds!

Independent Trail Work

Often we hear that people would like to help out with the trails, but weren't available on our scheduled work days. Good news! Thanks to a grant from United Way we have secured a tool shed and a suite of trail work tools so people can help out on their own time. There are always weeds to be pulled, sagebrush to be clipped along trails, and dog waste to be picked up. Feel free to complete any of these tasks on your own time! Contact Jamie for more info- beaverheadtrails@gmail.com

Northwest Energy Pole Replacement Reclamation Plan

Beginning in April 2026, Northwest Energy replaced several power poles on the Beaverhead Trails Coalition (BTC) property as part of their avian protection program. To conduct this work various two track roads and surface disturbance was necessary. BTC is working diligently with Northwest Energy to ensure that trails are returned to their original state

Preliminary regrading of the most disturbed sites has occurred. The Tim's Ridge trail has been rerouted to avoid the worst of the construction. Revegetation and weed mitigation efforts will be in process for up to five years across all impacted areas.
