Women's Resource Center Launches 2026 "Double Your Impact" Campaign

As the holiday season approaches, the Women's Resource Center (WRC) is inviting the community to make a meaningful difference in the lives of survivors of domestic violence, sexual assault, and human trafficking throughout Beaverhead and Madison Counties.

The WRC has launched its 2026 "Double Your Impact" fundraising campaign, with a goal of raising $110,000 to sustain free, confidential services for individuals and families seeking safety, support, and a path toward independence.

Thanks to the generosity of a community donor, the first $20,000 raised will be matched dollar-for-dollar, doubling the impact of contributions and helping ensure survivors have access to essential services when they need them most.

Every donation makes a difference. Your generosity helps provide practical, immediate assistance to survivors:

$25 provides a gas voucher to help a survivor reach safety or attend essential appointments.

$75 covers the cost of a phone for one month, ensuring a survivor has a reliable way to stay connected.

$200 supplies a week's worth of groceries, helping ease the burden of everyday expenses.

$400 funds a weekend stay in an emergency shelter, providing a safe haven and essential support.

The WRC operates the only emergency shelters serving Beaverhead and Madison Counties, offering safe, confidential, and pet-friendly shelter for survivors and their families. Additional services include a 24-hour crisis hotline, legal and medical advocacy, counseling referrals, transportation assistance, and individualized support. All services are provided at no cost.

The need is real, and the impact is measurable. From January 1 through September 30, 2026, the WRC served 194 new clients, provided 5,760 services, offered 1,589 nights of emergency shelter, and responded to 873 hotline calls.

Behind every number is an individual or family seeking safety and a chance to rebuild. As one WRC client shared: "WRC has consistently provided me with the resources to feel empowered, dignified, and self-sufficient."

In rural communities, where geographic isolation, limited transportation, and a lack of affordable housing create additional barriers, access to safe shelter and confidential advocacy can make all the difference. The WRC remains a critical resource for survivors throughout both counties, providing support without judgment and helping clients determine their own path forward.

As the WRC approaches its 50th anniversary in 2027, community support is essential to ensuring these services remain available for the next generation of survivors. Every contribution helps carry forward five decades of commitment to safety, dignity, and hope in Southwest Montana.

UMW Men's Basketball Drops Heartbreaker

The Montana Western men's basketball program (3-2) was upended by #13 Eastern Oregon (4-0) 75-72 Thursday evening in a neutral-site contest in Lewiston, Idaho.

The Bulldogs held the lead for the majority of the game, but the Mountaineers managed to take the lead with under a minute left in regulation to snag the win.

NOTABLES Marje Windfield earned career-highs in points (19) and steals (three). Gabe Hatler pulled down a career-high nine rebounds. Joshua Whiteside scored in double figures for the third-straight contest. Every Bulldog who saw the court recorded at least one rebound.

STAT BREAKDOWN: UMW shot 43.3 percent (29-67) from the field, 25.0 percent (5-20) from beyond the arc, and 75.0 percent (9-12) from the charity stripe. The Bulldogs earned 42 rebounds, eight assists, seven steals, and three blocks. They put up 34 points in the paint, 10 points off turnovers, 15 second-chance points, two fast-break points, and 88 bench points.

LEADERBOARD: Marje Windfield led all players in points (19) while tying for the game lead in steals (three). Joshua Whiteside (16) and Gabe Hatler (11) also scored in double figures. Hatler tied for the game-high in both rebounds (nine) and assists (three). Whiteside led the game with two blocks.

Western opened up an early lead in the game and had stretched it to 11, 17-6, midway through the first half. Eastern Oregon pulled back within one point at the five-minute mark, but UMW was able to gain a little breathing room back and led by five, 39-34, as the two teams headed to the locker rooms. UMW shot 42.4 percent (14-33) from the floor, 30.0 percent (3-10) from distance, and 88.9 percent (8-9) from the foul line in the first half. After the break, EOU manage to tied it 41-41 early in the second frame, but UMW regained the lead and held it for the majority of the period. EOU took a one-point lead with 58 seconds left in regulation and went on to win by three, 75-72.

The Mountaineers shot 43.6 percent from the field, 15.8 percent from three, and 66.7 percent from the line in the contest. They tallied 34 rebounds, 10 assists, nine steals, and one block. Eamon Monahan and Keilan Torkornoo posted 17 points apiece to lead the team, followed by Logan Orchard (15) and Isaiah Jones (12). Torkornoo tied for the game-high with nine rebounds while Jaden Hansen dished out a game-best tying three assists. Orchard shared the game-lead in steals with three and posted the lone block of the game for EOU.

Maxine Hoagland Earns Frontier Conference Volleyball Champion of Character

Bulldog Volleyball's Maxine Hoagland was selected as Montana Western's 2026-27 Volleyball Champion of Character, presented by WinWon Technologies.

Each member institution selected one student athlete from its volleyball program who consistently demonstrates exemplary character, leadership, academic excellence, and dedication on the court, in the classroom, and throughout the campus community.

Maxine Hoagland - Montana Western
Class: Junior
Hometown: Whitehall, Mont.
Major: Psychology
Head Coach Katie Lovett's Statement:

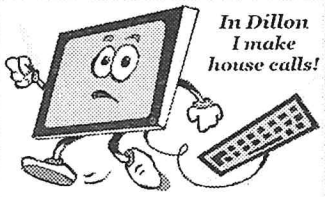

"I am proud to nominate Maxine Hoagland for the NAIA Champion of Character Award. Despite being injured for much of the season and unable to contribute on the court as she had hoped, she continued to make a meaningful impact on her team through her leadership, encouragement, and unwavering support of her teammates. Maxine demonstrated resilience, selflessness, and a team-first mentality, showing that being a great teammate goes far beyond performance on the court. Her positive attitude and commitment to supporting others through adversity exemplify integrity, perseverance, and servant leadership. Maxine has shown that true character is revealed during challenging moments and that her value to the team extends far beyond the game. She embodies the core values of the NAIA Champion of Character Award and is truly deserving of this recognition."

BEAVERHEAD COUNTY SHEEP & GOAT BARN

Youth Livestock Facility Improvement Project

Dear Community Member and Supporter,

My name is Kenndyl Meine, and I am a longtime Beaverhead County 4-H and FFA member. As part of my 4-H leadership project, I am helping lead a fundraising effort to improve the Sheep & Goat Barn at the Beaverhead County Fairgrounds. After years of raising and showing livestock, I know how much work local youth put into their projects and how important it is to have a safe, welcoming place to exhibit their animals.

Our first goal is to raise $25,000 by July 1, 2027, to purchase new, matching pens for sheep and goats. At last year's fair, we ran out of pens. We hope participation continues to grow, and we want to be ready to welcome more 4-H and FFA exhibitors.

The proposed pens will provide safer, more secure spaces for the animals, create a consistent and attractive display for exhibitors, and be designed to be taken down and stored after each fair. Matching pens will help showcase the time, care, and hard work our young livestock exhibitors invest throughout the year. These improvements will also make the barn more inviting for livestock buyers, families, and visitors during fair week.

We are currently applying for grants and seeking support from local businesses, agricultural organizations, and community members. The new pens are our immediate priority, but this is only the first phase. We will continue fundraising for additional barn improvements.

4-H and FFA have taught me responsibility, leadership, and the value of our agricultural community. I believe this project will help younger members feel welcome, encourage more youth to raise sheep and goats, and provide a barn our community can be proud of.

Every contribution, large or small, will help us build a safer and better-equipped barn for current and future exhibitors.

Please make checks payable to Beaverhead County Livestock Committee (nonprofit) and designate your donation for the Sheep & Goat Barn Improvement Project. Tax-deductible donation receipts can be sent for contributions. For more information, please call 406-925-1853.

Thank you for supporting Beaverhead County youth and the future of agriculture in our community.

Sincerely,

Kenndyl Meine

Montana Motor Vehicle Division rolls out vehicle transactions at select exam stations

The Montana Motor Vehicle Division (MVD) can now complete vehicle transactions at select exam stations, allowing Montanans to handle out-of-state vehicle transfers, replacement titles, and registration renewals and replacements, in addition to all existing driver license services. This expanded service gives Montanans the option to visit an exam station for vehicle title and registrations or continue to visit the county offices, helping Montanans save time and make fewer trips.

During a soft launch, MVD conducted its first 100 title transactions in an average of less than six minutes each. The service is currently available at exam locations in Billings, Bozeman, Butte, Great Falls, Helena, Kalispell, and Missoula, with plans to expand to additional cities.

"Making it easier for Montanans to conduct their vehicle transactions and driver license services has been my priority for MVD since the first day of my administration," Attorney General Knudsen said. "Offering this additional service is just one of the many ways we have made MVD faster and more convenient."

"We are always looking for ways to be more efficient at MVD and make it easier for our fellow Montanans," MVD Administrator Laurie Bakri said. "Now MVD is a one-stop-shop, and we are excited to continue expanding our services to better serve Montanans."

Under the direction of Attorney General Knudsen, MVD launched a new driver services system that shortened appointment times and improved wait times. A transaction that once took an average of 27 minutes now takes just five to seven minutes. MVD examiners are completing more than twice as many transactions each day, while error rates have fallen from 19 percent to less than 6 percent. At most offices, the wait to get an appointment has dropped from 48 days in 2021 to as little as one day. While scheduling an appointment in advance through MVD Online Services is still recommended, Montanans can get same-day or next-day appointments in most offices.

For more information or to make an appointment, visit https://cars.dojmt.gov.
