Scott Johnson Sr

September 18, 1957-
October 3, 2025

His favorite quote was "it's not goodbye, it's see you later". He never wanted to say goodbye. Born September 18th 1957 to Beryl and Darrell Johnson in Powell Wyoming, he came into this world with the story of a lifetime. He always said he was born in Yellowstone on a cold and snow filled day when his parents decided to go for a drive and they ended up

stuck in a blizzard. Scott growing up was quite the athlete, running faster than most and jumping higher than everyone. He would tell the stories of his accomplishments in track and about his crazy shenanigans diving into water that was not meant to be dove in to. He would tell his kids "just get ahold of Fred and ask". Fred was his childhood friend who in turn became his brother.

Scott married Joella and had 5 children, Scott Jr, Eon, Allaryce, Brittany, and Gavin. Later on in life Scott would go on to marry Mardell after his separation and they would raise their 5 kids in Arizona until moving to Dillon Montana in 2004. His family spent their summers traveling the states and making many, many memories. But of course Montana would end up being their home sweet home and where their spirits found peace. After Mardell passed he found love and companionship in his little Angel (Templin).

Although he was already facing health challenges and had been diagnosed with late stage terminal cancer, Angel was there to make his days a little brighter. His daughter, Allaryce was there to care for him and he made sure that she knew he appreciated everything she did for him. Scott would wake up every day and check the Dillonite to make sure he wasn't on the front page saying "any day I'm not on the front page is a good day". He was full of jokes, laughter, light, and love. He was a man of many talents, even teaching himself Russian in his last few months. He is proceeded in death by his parents, Darrell and Beryl, brothers, Pete and Bill, and wife Mardell. He is survived by his children Scott Jr, Eon, Allaryce, Brittany, and Gavin, and grandchildren, Emma, Zac, Carsyn, Finley (Allaryce's children), Atley, and Olive (Eon's children).

Well dad, I guess it's not a good day as you will be in the Dillonite, but you put up an amazing fight and for that, so many people were blessed enough to have you in their lives! So here's to never saying goodbye, just a big SEE YOU LATER!

**Hamilton Overpowers Dillon
In Friday Night Matchup***Jeremy Crawford, Southwestern Montana News*

The Dillon Beavers took on the Hamilton Broncos Friday night at Vigilante Field, looking to turn their season around after a tough start. With only one win so far this year, the Beavers hoped to notch another victory in front of the home crowd.

The Broncos came out strong, scoring early and building a 21-point lead by the end of the first quarter. The Beavers battled back in the second, finding the end zone for their first touchdown of the night, but Hamilton's offense continued to dominate on both sides of the ball.

Despite a solid effort and flashes of determination, the Broncos proved too much for the Beavers, taking the win with a final score of 42-21.

Dillon will look to regroup and refocus as they head into the next game of the season.

**FUNDING OPPORTUNITIES
Montana 250 Grant Program**

The Montana 250th Commission has launched a grant program to support statewide commemorative projects ahead of America's 250th anniversary on July 4, 2026. The Program will award up to \$400,000 to organizations across the state working to deepen understanding of Montana's culture and heritage, as well as projects related to civic involvement and broader public engagement with American, Montanan, and Tribal history in connection with the nation's semiquincentennial. The grant program is open to a broad range of applicants, including cities and towns. No cost match is required for successful applicants. The deadline to apply is October 30th.

UMW Volleyball Falls 3-0 to Valley City State Saturday

The Montana Western volleyball team (9-12, 7-7 FC) was clipped by Valley City State (8-10, 6-7 FC) 3-0 (20-25, 9-25, 16-25) Saturday morning.

NOTABLES

Kennedy Lingenfelter hit .316 (8-2-19).

Megan Hardman earned her fifth straight double-double with 18 assists and 10 digs.

Three Bulldogs hit double figures in digs (Taylor Ketchum-13, Morgyn Harrison-12, Hardman-10).

MATCH SUMMARY: The opening set was back-and-forth between the two sets, but the Vikings managed to pull away at the end and take the 25-20 win to go up 1-0. The Bulldog offense stalled in the second frame, allowing the visitors to win set two 25-9 for the 2-0 lead. In the final set UMW showed more determination but couldn't overcome the strong defensive showing from Valley City and the Vikings completed the sweep 25-16.

LEADERBOARD

- Lingenfelter led the Bulldogs with eight kills.
- Hardman paced the team with 18 assists.
- Taylor Ketchum recorded a team-best 13 digs.
- Maxine Hoagland, Avery Look, Nora Dominick, and Olivia Rosborough each tallied 1.0 block each.
- Jayda Ward, Harrison, and Ketchum each landed one ace.

SPLIT BOX Western was outperformed in kills (26-34), assists (26-33), digs (62-68), blocks (2-9), and aces (3-10).

LOOKING AHEAD: The Bulldogs head out on the road next week, traveling to Bismarck State (10/17) and #8 Bellevue (10/18)

UMW Men's Cross Country Places Sixth, Women Finish 11th at Yellowjackets/ Battlin' Bears Open

Montana Western's Brant Heiner and Olivia Heiner were once again the top Bulldog finishers at the Yellowjackets/ Battlin' Bears Open Friday in Billings.

Brant Heiner ran a 27:02.2 to finish 35th out of 103 runners in the men's 8k. Olivia Heiner clocked a 24:32.3 to place 28th out of 76 runners in the women's 6k. It marks the highest finish of the season for both runners.

The other finishers on the men's side included Harrison Silverio (60th, 28:18.0), Cael Thilmony (74th, 29:21.1), Tristan Von Bargaen (78th, 29:43.8), Wyatt Yeager (80th, 29:55.3), Noah Rovente (87th, 31:03.3), Brody Henry (89th, 31:15.4), Mason Lynch (91st, 31:39.4), and Bridger Wheeler (99th, 34:02.2). Every runner on the men's team earned a season-best for the 8k in the race.

On the women's side, Justene Santi (46th, 26:08.7), Ashley Murnion (68th, 28:57.9) and Kylee Wyatt (75th, 33:16.8) rounded out the finishers for Western.

LOOKING AHEAD: The Bulldogs will race in one more regular-season meet before the conference championships, traveling to Ashland, Neb., to take part in the Blazing Tiger Invite Oct. 25. The 2025 Frontier Conference Championships will take place Nov. 7 in Billings, Mont.

Experience STEM in action at Montana Tech's Fall Tech Day

Blasting demonstrations. Life-like nursing simulations and cadaver dissections. Deep dives into artificial intelligence and video game design.

There's no better place for high school students to explore in-demand careers in science, technology, engineering, and math (STEM) than Montana Technological University's Fall Tech Day to take place on November 14, 2025 from 9 a.m. to 2:30 p.m.

"Tech Day is perfect for students who aren't quite sure what they want to study, deciding between a couple of different majors, or want to learn more about their chosen major," Director of Admissions Kelly Horsley said. "Plus, it's a free event and we provide lunch for students and their guests."

Fall Tech Day is a one-of-a-kind, hands-on college visit designed for prospective students who want to experience Montana Tech's programs up close. Participants will spend the day on the university's historic Uptown Butte campus, exploring academic areas of interest through interactive lab sessions, campus tours, and conversations with faculty and current students.

Students can tailor their day by choosing from a variety of immersive breakout sessions, including:

- **Exercise and Health Science Lab:** Attendees will observe and participate during an exercise echocardiogram (EKG/ECG). The process will be led by current EHS students, with a discussion and Q&A after. Attendees will also be able meet and interact with current EHS students, and learn more about the Biological Sciences and Exercise & Health Science programs. Limited to 20 students.
- **Mining Engineering:** Get to see what happens when chemical energy is released, and learn about the importance of safety in mining through a virtual reality (VR) experience.
- **Electrical Engineering:** Put your skills to the test as you learn binary code and program a robot to follow a line on the floor. Students interested in electrical engineering, robotics, and computer science are encouraged to join!
- **Petroleum Engineering:** Join the Petroleum Department as they educate on the process of discovering and extracting the oil and natural gas resources that keep our world moving, through demonstrations in our state-of-the-art
