Lance Scholars Program helps Montana Tech transfer student pursue physical therapy dream

Caris Paul, of Billings has a dream of one day becoming a physical therapist. To meet her goal, she knows it will take a lot of hard work, and a doctorate degree that will have a significant price tag. That's why when she learned she had been awarded a Lance Scholarship at Montana Technological University, she was incredibly grateful.

"When I found out I received it, I felt so relieved," Paul said. "I thought I was going to need two jobs to pay for school, but now I can just focus on one and balance school and life better."

The Lance Scholars Program annually provides 50 in-state students with the opportunity to receive a \$4,000 per year scholarship, renewable for up to an additional three years (up to \$16,000 total), covering almost half of current tuition at Montana Tech. It was established through the generosity of Ryan (Petroleum Engineering, '84) and Lisa Lance. Ryan has served as the CEO of ConocoPhillips since 2012. The Lance family made a \$31 million donation to Montana Tech in Spring 2022, most of which is dedicated to the Lance Scholars Program.

"One thing I liked about the Lance Scholarship is that it was more open to students than most," said Paul, who is majoring in exercise and health science. "The requirements weren't hard to fulfill, and it didn't take me long to apply. Other scholarships want you to write long essays and do a lot of extra things. This one was simple and straightforward." Paul also noted that scholarships for transfer students are often more difficult to qualify for, compared to those available for graduating high school seniors. Paul originally began college at Bismarck State College in North Dakota to play softball but transferred to Montana Tech after realizing she wanted to be closer to home and part of a supportive community.

"I missed my friends and family, but I also didn't want to just go back home," she said. "When I saw the positive environment at Montana Tech, I knew this was the place where I could find my own way in life."

The scholarship is already helping her prepare for professional school.

"It's paying for my tuition and my books," she said. "It takes away the stress of saving money for those things now, so I can put that money toward PT school later."

Beyond finances, Paul said the scholarship has given her a deeper

sense of connection to Montana Tech.

"At my last school, I didn't feel connected because I was always busy with softball," she said. "Here, I don't have to stress about money as much, and I can be part of campus life and build friendships. The scholarship really gave me that opportunity."

She encourages other students to apply, even if they aren't sure they'll qualify.

"It can be a tremendous stress relief to know you have support to pay for school," she said.

The Lance Scholars Program is open to Montana high school seniors or transfer students who meet the following criteria:

- Student must have a 3.0 GPA or higher at time of application.
- Student must be a resident of Montana.
- Student must be an incoming first-year, transfer, or a Highlands College student moving to a bachelor's degree program.
- Student must complete the dedicated scholarship application for the Lance Scholars program.
- Student must complete the FAFSA.

Applicants will be asked in 3-5 sentences to answer the question: During your time at Montana Tech, what is one thing you'd like to learn or experience that has the ability to effect change in the world?

The deadline to apply is February 15. Upon acceptance to Montana Tech, qualifying students will receive a link to apply for the Lance Scholars Program and submit materials on their personal URL (PURL) page. For more information visit www.mtech.edu/lancescholars.

Upcoming 'Fall Into Leadership' 4H Workshop and Dance

By Ralston Yurko

Vice President Ellie Weldon of the Sagebrush and Snowdrifts 4H club will host her annual Leadership Workshop for all Junior and Senior 4H members in Beaverhead County on November 21st from 4-6pm in the 4H building at the fairgrounds. This year there will be a hypothetical "shark tank" competition where members will compete by presenting their business ideas to a panel of "sharks" for a sponsor.

Afterwards, there will be a dance open to all 4H members and their friends starting at 7pm and ending at 9:30pm in the 4H building. It will be \$5 per couple, and the money raised will be used to help the Valley Victors 4H club get back on their feet after being out of commission for several years.

Secretary Christi Jacobsen supports increased public access and gives the green light to timber projects during November Land Board

Secretary of State Christi Jacobsen cast votes during November's Land Board meeting supporting increased public access for Montanans and giving the green light for timber projects that will generate revenue for Montana schools.

Secretary Jacobsen approved a pair of habitat conservation leases (HCLs) on properties totaling nearly 6,500 acres that will provide Montanans with opportunities for recreation, including hunting. The Secretary has previously voted to support HCLs opening tens of thousands of acres for public access, while protecting habitats and keeping agricultural land in production.

"I'm pleased to see these conservation leases offer Montana hunters access to more acres to fill the freezer for their families," said Secretary Jacobsen, "but it's also essential that we support our Montana farmers and ranchers."

Secretary Jacobsen joined her all-Republican Land Board colleagues in giving the green light to a pair of timber projects—one in Flathead County and one in Silver Bow County. The logging projects are estimated to generate approximately \$480,000 in revenue, with the majority of the revenue benefiting Montana schools.

Secretary Jacobsen also voted to approve several easements, which will provide improved telephone, broadband, and electrical services for Montanans.

Got Socks and Gloves?

By Ralston Yurko

Sagebrush and Snowdrifts 4H Club has partnered with the Dillon Jaycees to provide socks and gloves for the kids participating in the Little Skier Program this season at Maverick Mountain. Our goal is to provide at least 50 pairs of socks and gloves, so we are asking the community to help us achieve this goal. Please make sure that the socks are long enough for ski boots, and that the gloves are waterproof. Donations can be new or gently used with no holes, and can be dropped off at one of two Dillon locations: Nye Insurance at 135 S Atlantic St, and DeadAir Broadcasting Inc. at 610 N. Montana St. Deadline is December 9th, so please be sure to drop off your donations before that date. Sagebrush and Snowdrifts and The Dillon Jaycees thank you for your support in this community service project.

UMW Volleyball Wraps Up Season in 2025 Frontier Conference Quarterfinals

The Montana Western volleyball program (13-17, 11-11 FC) fell 3-0 to #2 Providence (29-2, 21-1 FC) Thursday afternoon in the quarterfinals of the 2025 Frontier Conference Volleyball Championship.

"I am so incredibly proud of this group and how they worked together to overcome so much adversity this season," head coach Katie Lovett said. "I am excited about the future and impressed by how many of our young athletes stepped up throughout the year. Thank you to our seniors who put in so much work and were dedicated to the growth of this program. We can look back on this season with pride."

NOTABLES

Kennedy Lingenfelter recorded her fourth double-digit kill effort in the last five matches.

Megan Hardman tallied her 15th straight match with 10 or more assists.

Rosborough hit a team-best .353 clip, earning seven kills with just one error on 17 swings.

MATCH SUMMARY

Western came out firing in the first set, taking an early 5-1 lead and forcing a timeout from the top-seeded Argos. The two sides kept it close through the middle of the set, but a 9-4 run by UP sealed the set one win 25-19. The second frame continued in a similar manner, with the Bulldogs fighting point for point until Providence went on a 6-1 run to close it out with another 25-19 scoreline. In the final frame UMW showed grit, leading by as many as four points, but the Argos once again stormed back at the end to take the match with a third 25-19 set win.

LEADERBOARD

- Kennedy Lingenfelter led the Bulldogs in both kills (10) and blocks (3.0).
- Megan Hardman registered 18 assists.
- Taylor Ketchum earned 21 digs.
- Ketchum and Hardman each landed one ace.

SPLIT BOX

Providence held the statistical advantage in kills (50-37), assists (49-37), digs (67-58), blocks (8-6), and aces (3-2).

Twin Bridges Christmas Stroll

All are invited to share in the spirit of the season at the Twin Bridges Christmas Stroll on Thursday, December 4th, from 5:00 PM to 8:00 PM.

Main Street will be filled with festive activities for all ages — games, crafts, ornament kits, a hot cocoa bar, Turkey Bingo (win a turkey!), the Giving Tree, face painting, cookie decorating, photos with Santa, a live nativity, and a reading of The Christmas Snow Globe. Enjoy holiday displays, treats, raffles, and Stroll Specials. Most activities are free, with a few groups offering optional donation-based fundraisers.

Holiday shoppers can explore a new Main Street business, browse gift shops extending their hours, visit The Old Hotel's Mini Maker's Market, and stop by businesses hosting open houses with refreshments. Gift certificates are a great option, too!

Enjoy a complimentary chili dinner, hayrides, live music, and our returning Stampede Card — complete yours for a chance to win a festive gift basket.

For updates, follow the The Twin Bridges Christmas Stroll on Facebook or visit www.TBCAMT.org.
