Montana Western Chancellor Michael Reid Announces Retirement

The University of Montana Western's Chancellor, Michael Reid, has announced that he will retire at the end of this academic year after over 30 years in higher education.

"I want to take a moment to express my sincere gratitude to our incredible students, faculty, and staff. The work we do here is meaningful, rooted in community, and centered on changing lives. What makes Montana Western special isn't just our mission or our block schedule—it's the people and their dedication to our students, to one another, and to the spirit of this place that has made every day here a privilege," said Chancellor Reid.

Reid first came to UMW in 2018 to serve as the Vice Chancellor for Administration and Finance and would go on to become the institution's Chancellor in spring of 2021. His educational background includes both an MBA and a BA in Finance from Utah State University. Over his 30 years of administrative experience, he has served for 20 of them as a Vice President/Chancellor for Administration and Finance at institutions including Pueblo Community College, Mansfield University of Pennsylvania, Angelo State University, the University of Montana, Sierra Nevada College and the University of Montana Western.

During Reid's tenure as Chancellor of UMW, the university offered new programs including a Bachelor of Science four-year degree in Farm and Ranch Management and the online option of its Elementary Education B.S. degree. Numerous facility renovations and new construction projects have been completed including Bulldog Stadium, the Student Wellness Center, and the renovation of the campus grounds along Atlantic Street. Renovations to Block Hall that will provide state-of-the-art research labs and equipment and the expansion of academic space are on track to be completed this spring. Several areas of campus have also been updated, including the Short Administration Building, the Dining Hall, Student Union Building, the Veterans and Military Exchange Center, Heating Plant, and the Business and Technology Building. Improvements to the Birch Creek Outdoor Education Center are also underway that will bring more groups and classes to this unique facility.

"While so many exciting accomplishments have occurred during my time here both as Vice Chancellor for

Administration and Finance and then Chancellor, I firmly believe that working with a dynamic team in all areas at the University collectively and openly are what lead to these goals becoming realities. It really comes down to the high caliber of people who are here to support our students and their hard work and determination that allows UMW to keep making improvements that will set us up for success in the years to come," said Chancellor Reid. "I've enjoyed getting to know and form relationships with so many individuals from far and wide who support Montana Western and care greatly about its continued success."

"In addition to being able to support various efforts during my time at Montana Western focused on collaboration, community partnerships, and sharing the uniqueness of Montana Western's Experience One immersion learning model, I'm really proud to have been able to be part of the UMW community as a whole and help mentor and support the next group of leaders for the university's future who will be champions for our upcoming students and their success," said Chancellor Reid.

"During Chancellor Reid's tenure, the University of Montana Western experienced broad success across every aspect of campus life. Through his leadership, he has strengthened the university's academic foundation and championed opportunities for students, faculty, and staff to excel. His guidance and vision for excellence will be missed," said Commissioner of Higher Education, Clayton Christian.

The Office of the Commissioner of Higher Education will hire a consulting firm and seat a Search Advisory Committee to assist with the search for the next Chancellor. Deputy Commissioner Tyler Trevor will serve as the search committee chair and begin the search process in early December.

**Montanans Invited to Vote on the New Welcome to
Montana Highway Sign Design***Commerce opens online voting portal for Montanans to choose the
new highway signs that appear on entries to the state. Voting closes
Dec. 31, 2025*

In

May 2025, Gov. Greg Gianforte and the Montana Department of Commerce unveiled Montana's new brand at the World Famous Miles City Bucking Horse Sale. Inspired by the new Montana brand's primary purpose to represent the people, places and stories of the residents who call the state home, Commerce invites Montanans to be the decision makers in what the new highway signs will look like at each of the entry points to the state.

"There's no better feeling than crossing state lines back home to Montana," Gov. Gianforte said. "Our highway signs give our families, friends and visitors the warm welcome they deserve. I am excited to see what Montanans choose."

Commerce's website for voting on the sign designs, visitmt.com/welcome-sign is live now and voting is open until Dec. 31, 2025. Three design options, inspired by Montana's new brand, are available. Each includes unique aspects of the new brand and elements of the state.

Current highway welcome signs were installed in 2014. With the help of the Montana Department of Transportation, it is expected that the new welcome signs will be installed across the state's entry points in late spring as weather and access to sign locations permits.

Visitmt.com, provided by the Montana Department of Commerce, allows residents and visitors alike to discover more about Montana. Go to visitmt.com to plan your next big weekend no matter the time of year! Be sure to share your experiences on social media using #montanamoment and tag us @visitmt. Learn more about Montana's brand at visitmt.com/montana-brand.

Montana Artist Launches "The Snow Day: Pray for Snow Edition" at Local Winter Events

Emmy-winning illustrator and filmmaker Bryan Schaeffer will debut his new book series, The Snow Day, with a special Pray for Snow Edition — an exclusive pre-release for Montanans launching at two winter celebrations this December.

The Pray for Snow Edition features three new titles — The Snow Day: A Yellowstone Adventure Picture Book, The Snow Day Coloring Book, and The Snow Day Young Adult Novel — available only at local live events ahead of their nationwide release. Each limited-edition copy includes a collectible "Pray for Snow" sticker and early access to the upcoming Made in Montana short film supported in part by the Montana Film Office Big Sky Film Grant, premiering fall 2026.

Local Launch Events

Pray for Snow Block Party — Dillon, Montana Friday, November 21, 2025 Hosted by The Montana Events Foundation and The Bookstore, this community event marks the first opportunity to purchase autographed Pray for Snow Edition books and preview new artwork from the film.

Bozeman Symphony Winter Concert Series — Bozeman, Montana Friday, December 12 — Sunday, December 14, 2025 Books will be available at the Willson venue, with proceeds helping fund production of the Made in Montana short film.

Coinciding with these events, Outside Bozeman Magazine will publish Here & Now: Lessons Learned & Familial Bonds Forged on Frozen Ground by writer Leah Veress, featuring illustrations by Schaeffer. The story follows a father and daughter's annual ski adventure through Yellowstone's Mammoth Terraces — a reflection of the same Montana spirit that fuels The Snow Day project.

"The Snow Day is about creativity, resilience, and that sense of wonder we all rediscover in winter," says Schaeffer. "This local launch is our way of thanking the Montana community that inspires and supports these stories."

Following the Pray for Snow Edition events, The Snow Day series will officially release nationwide in March 2026 through select independent bookstores, beginning in Bozeman.

About The Snow Day The Snow Day is a Montana-inspired storybook series and animated film project created by illustrator and filmmaker Bryan Schaeffer of SINTR Studios. The series blends hand-drawn illustration, folklore, and wilderness storytelling to spark curiosity and imagination in all ages. For more information or media inquiries, visit SINTR.com.

Veteran's Corner Update #335

By Mike Lawson

Many Veterans across the US celebrated Veteran's Day on the 11th of November. In Butte a ceremony was held at the Civic Center with a light brunch put on by the American Legion Auxiliary, afterwards. Our United Veteran's Honor Guard visited and did a flag ceremony at our SW MT Veteran's Home, Big Sky Senior Living and The Springs, all assisted living facilities. The folks, especially the Veterans living there, were very appreciative. These folks must never be forgotten and it's probably their last home. Visitors are always welcome and if you do visit, it'll make your day and their day, in a positive way.

For the Marines, it was their 250th Birthday on November 10th. The Marine Corps Ball was celebrated across the country and in many places around the world where Marines are on duty. I was in San Antonio at our CAP Marine Reunion and we had a Marine Corps Ball/ banquet program celebration. There was a great band, program, meal, raffle, and dancing. Some recognition awards were given out and it was a great night of celebration, before we all departed for home the next day... On the Butte Marine Corps Ball celebration, it was also a great success, from the reports I've been given. Being the Commandant of our Detachment #724, I was a bit anxious as to how things would work out. I did not need to worry, as our members stepped to the plate. Many thanks for all involved. Coach Bob Green was the MC and people had no problem hearing him. As we locals know he has a booming voice and all of us local area folks love to see/hear him in action.

The 43 day Government shut-down is over. For our veterans affected by this shut-down, there are a number of things you can do to address getting things back to normal again. To just name a few: 1) Monitor your pay and benefits dashboards (MyPay, VA.gov, eBenefits, etc.) for updates. 2) Call your local VA if you had appointments canceled. 3) If you rely on SNAP or other federal assistance, watch for state notices about restored benefits and disbursement dates.

Town Pump Matching Donation 2025

Town Pump has graciously offered to match up to \$20,000 in monetary donations to the Food Pantry! The event has begun and will run through November 30th.

Rumors on the street

By: MJ

Moving on. The election is over for another 4 years. Past years move into history as the main street of Dillon has changed with history. Interesting pictures in the Womack journal.

Several surprises on the ballot this year with one being the requirement of your birth date to assure your ballot is counted. In Dillon, Mt. there was a tad bit of Washington D.C. action of degrading a candidate without solid proof of the residency claims they were making. Many out-of-town people that do not pay taxes in Dillon, including a state representative, signed contracts discrediting one candidate that was seated as an elected council member & mayor candidate. **Question:** Did the person targeted have anything to do with the 1/2+- million-dollar law suit that was filed against the city for a paved road in a private sub-division? *I do not live within the city limits and do not vote in city elections. I thank the individuals who brought to my attention that they felt I was favoring one side over another. My viewpoint is that every coin has (2) two sides to be considered.*

I watched the "No Kings" rally in Dillon. Appreciated the fact people still have freedom to stand up for their beliefs. I was disappointed that I have never seen (1) one sign that suggested solutions to what the sign holders perceived as the problem.

There has been (2) two closed meetings by the city officials on the Wendland contracts. The issues seem to have gone dark as far as city residents being told anything. **Questions:** Are the rumors correct? Does this mean the decisions for the city are being made by the city contracted lawyer Mr. Guza & mayor only, or is the city council working with the lawyer & mayor on a solution? *Is a strategy being discussed that the court makes the final decisions and instructs the city pay Wendland contract? If that happens does the city get the right to tax each individual for a street in private sector? ???* How is the street you drive to work on?
