## Barrett Hospital & HealthCare DOT Physical Scheduling Update - Effective February 16

Our goal is to always serve our patients to the best of our ability.

Due to increasing walk-in volumes and the time requirements necessary to complete Department of Transportation (DOT) physicals thoroughly, we will be updating how these visits are scheduled.

Beginning Monday, February 16, all DOT physicals must be scheduled in advance and will no longer be accommodated as walk-in visits.

Why the change?

DOT physicals require:

- Extended appointment times
- A comprehensive medical assistant rooming process (vitals, vision testing, hearing testing, color testing, urine screening, ID verification)
- Multiple pages of required documentation for both provider and staff
- Evaluation by a DOT-certified provider

In addition, not all providers are DOT certified, and certified providers are not available in walk-in clinic every day. Scheduling ensures consistent access to the appropriate provider and reduces delays for patients with acute illnesses who rely on walk-in services.

What this means for you

- Call ahead to schedule your DOT physical
- Appointments will be booked with a DOT-certified provider
- We encourage scheduling your next DOT at the time of your visit to avoid expiration gaps

Please remember: Drivers receive multiple notifications from the state prior to expiration. If your DOT has expired for less than one year, you may renew without penalty (though you may not be permitted to drive until renewed).

To schedule your DOT physical, please call the Barrett Hospital & HealthCare clinic directly at (406) 683-1188.

We appreciate your understanding as we work to provide timely, safe, and efficient care for all of our patients.

## City Receives applicant interested in City Mayor Position - Former Mayor Michael Klakken

Hello.

My name is Dr. Michael L. Klakken and I am applying for the Mayor of the City of Dillon position which became vacant effective on February 9, 2026. I am a past Mayor and Council member. I understand the responsibilities of the positions and how important it is for the Council and Mayor to work together. First, a little relevant history of myself and why the Council should appoint me to the vacant Mayor position.

My strengths and experiences are:

1. I was the Mayor for two terms 2014 - 2021. I did not run for a third term because I decided to retire.
2. Ward 1 representative on the City Council 2004 -2007. Did not run for reelection.
3. Small business owner. Owned and operated Aces Inc. 1999 - 2024. I retired from computer repair and service.
4. I have earned a Bachelor of Science degree with major in Physics and minor in Mathematics from Montana State University in 1982. I then attended Washington State University and received my Master's degree in 1984 and my Doctor of Philosophy in 1986.
5. I worked at Hercules (Alliant Tech Systems) for twelve years. Resigned and moved back to Dillon.

Why do I want to put my name back in the race for Mayor? I have been trying to help the City Council and the Mayor for months. At the Council meetings I saw firsthand the problems the City needs to address and how more and more problems kept coming to light. The resignation of Mayor McGinley has opened the door and given me the opportunity to help solve some of the problems I have witnessed. I believe that with my years of experience being Mayor and education to analytically work through problems and develop solutions, I would be the best choice for the City of Dillon as Mayor. My management style is to be as transparent as possible to help the residents and the City Council of Dillon. Without going into the problems that exist at this time, I will say that I can and will start working towards solutions starting DAY ONE. I fully understand what I am agreeing to by taking this office (when I am appointed by the City Council) and I just want to help the City and its residents.

Thank you for considering my application for Mayor and, if appointed, will start working on the solutions for the City.

Dr. Michael L. Klakken

### Beaverhead County Search and Rescue Update

First off, Beaverhead County Search and Rescue would like to thank the Beaverhead County Chamber of Commerce for naming us one of their Community Organizations of the Year. As an all-volunteer organization this recognition of the work we do for our community means a lot to us.

On January 8, 2026, Beaverhead SAR was called out to rescue a stuck treasure hunter. SAR snowmobiles were deployed and the subject was brought back to the Grasshopper Inn.

Several training opportunities for the organization are underway, Avalanche Risk Management was held on February 13th, and a fundamentals of SAR class will be starting soon

On February 15th Beaverhead SAR assisted with the Sno Riders Fun Run. Members brought out the department's snowmobiles, events like this are a great time for us to make sure our equipment is working as it should. The department also used this event to train on our tracking program which allows Incident Commanders to track hasty teams on a search or rescue operation.

Currently Beaverhead SAR is holding a gun raffle fundraiser there, tickets can be purchased from a SAR member or at 406 Armory. Tickets will be on sale until June or tickets are sold out.

Our next meeting will be held on March 4th at 7pm in the Search and Rescue Building.

## Bulldog Football Inks 45 to 2026 Signing Class

The Montana Western football program has signed 45 student-athletes to its 2026 class, head coach Ryan Nourse announced Wednesday. The class consists of 38 freshmen and seven transfers.

The Bulldogs are bringing in 22 native Montanans and 16 out of state athletes.

**Damian Herrera**, Offensive Line 6-3, 300, Truckee, Calif., Truckee HS Herrera is a California native joining the Bulldogs from Truckee High School. He helped his team to two state championships. He is a two-time first team all-state selection, one time second team all-state, and two-time all-league honoree. He is the son of Felipe and Cristian Herrera and plans to major in kinesiology

**Rudy Hess**, Safety 6-0, 175, Missoula, Mont., Sentinel HS Hess is a safety out of Missoula, who also competed in track and field for Sentinel High. He has received, first team all-conference and all-state honorable mention at safety, first team all-conference and second team all-state as an all-purpose player, and was named 2026 offensive MVP. He is the son of Erik and Kelli Hess and plans to major in environmental science.

**Trenton Hoveland**, Linebacker 6-0, 200, Townsend, Mont., Broadwater HS Hoveland is a linebacker out of Townsend, Mont., and follows in brother Trey Hoveland's (2026 Bulldog football grad) footsteps here at Western. He was an all-conference punter for Broadwater High. He is the son of Justin and Raeann Hoveland and is majoring in business.

**Krew Hunter**, Quarterback 5-11, 185, Laurel, Mont., Laurel HS Hunter joins Western from Laurel High School. He is a two-time first team all-state and two-time first team all-conference honoree at quarterback. He is the son of Gome and Comeec Hunter.

BEAVERHEAD  
COMMUNITY  
WOOD BANK  
MINISTRY,  
INC.

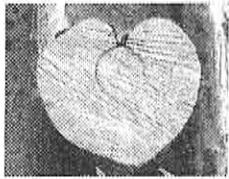

# Wood Bank Wanderings February 2026

News from the Beaverhead Community Wood Bank Ministry Inc.  
P.O. Box 1414, Dillon MT 59725 phone 406-596-3690

## Who we are and what we do

Our mission is to help others keep warm. The Beaverhead Community Wood Bank Ministry helps households in our community who struggle with limited means, for whom keeping warm in winter can become a crisis.

The Beaverhead Community Wood Bank Ministry officially incorporated in 2015, a unique nonprofit charity dedicated to ministering to people by giving gifts of firewood to warm our neighbors in need.

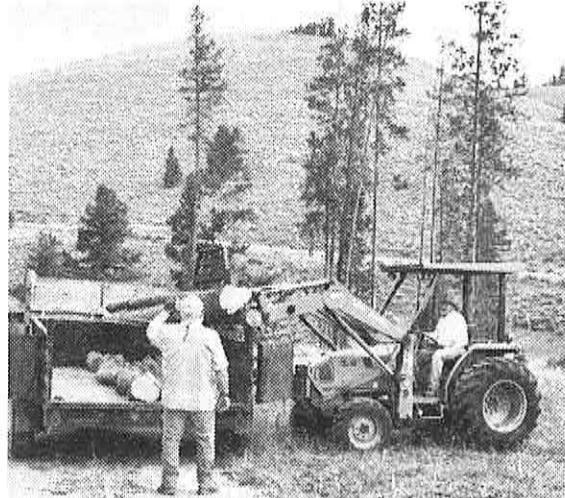

## Why is this ministry?

There are many ways to minister to the needs of others. Wood Bank founder, Harry Neeley, an Episcopal priest, loved to cut firewood for others, saying, "To work is to pray." Over 32 years since Harry began this ministry, many have been inspired to continue bringing gifts of firewood to neighbors.

There is a saying that firewood warms twice—once as you work to cut, split, load, and deliver it, and again as it burns to heat a home or prepare a meal. At the Wood Bank, firewood has a third way of warming—spiritually, in giving and receiving, sharing and connecting with, and caring for others. This spirit makes the wood bank a ministry.

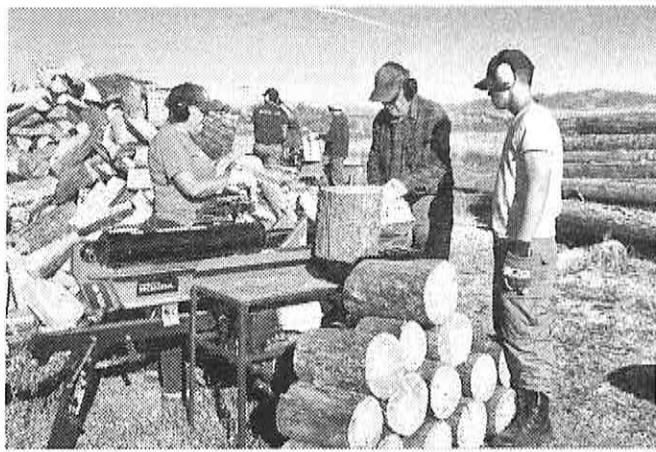

## Where does the wood come from?

Most of the Wood Bank's firewood comes from timber sale areas on National Forest land, where dead trees are salvaged for sale as firewood, mostly lodge pole pine or Douglas-fir. A logging truckload can be made into 10-11 cords of firewood. This year, a truckload of logs cost about \$2,200. With a goal of making 150 cords of firewood per year, buying logs is our largest expense, supported by grants and individual donations. In addition, the Wood Bank sometimes receives donations of wood from private landowners.

At left, Rick Hartz is signaling Ed Mooney, as they load donated logs from the Mooney Ranch into the Wood Bank's trailer.

Back at the Wood Bank, skilled volunteer sawyers will cut the logs into blocks for splitting.

At the wood yard, Wood Bank volunteers process and deliver firewood. At left, two teams of volunteers operate wood splitters with help from Montana Youth Challenge cadets. At right, volunteers hand-load a few final pieces into the Bobcat bucket, which will dump the load into our delivery truck.

## Who gets the wood?

Household eligibility for firewood is based on income, disability, and other considerations. We ask people to complete an application including income details to ensure the wood is distributed appropriately. The Board of Directors keeps this information in confidence. As of February 1, this winter 2025-26 we provided firewood to 47 households. Most of our clients were seniors. More than half of these live alone, and many households have disabled members.

The maximum Wood Bank client household income in 2025 was \$2,608/month for a single person. Two-person households had under \$3,525/month. A household typically receives up to 3.6 cords of wood. In heat value, three cords of firewood represent at least \$862 worth of electricity and gas heat.

## Our firewood isn't free... it's priceless!

In 2025, 51 regular wood bank volunteers and 68 cadets from the Montana Youth Challenge Academy contributed over 1,912 hours to saw, haul, split, load, and deliver firewood over more than 109 work days. At right are a crew of Montana Youth Challenge Cadets during a break at the Wood Bank. In session, 4 cadets per week help at the wood bank.

### These champions of the Wood Bank deserve special thanks:

The cost of fuel, equipment maintenance, liability insurance, phone, office supplies, and purchasing wood in log-truck loads is substantial. Our expenses in 2025 totaled \$30,963, including \$18,000 for wood purchased in log-truck loads, and \$12,963 for operational expenses including fuel, equipment maintenance, liability insurance, phone, and supplies. All this was made possible through donations, grants, and contributions of materials or services. This year fire extinguishers and smoke/carbon monoxide alarms were made available to clients through grants from Vigilante Electric and the Alliance for Green Heat. Together with the volunteers who show up every week to make firewood, this community enabled the Wood Bank to help warm 47 households of our neighbors in need (so far) in this heating season.

### A very warm Thank you to these friends of the Wood Bank:
