Rollover crash on MT-41 in Madison County leads to airlift

Jeremy Crawford, Southwestern Montana News

First responders were called to a single-vehicle rollover crash Wednesday morning on Montana Highway 41 near Mile Marker 19.

According to initial scanner traffic, the vehicle was reportedly traveling at a high rate of speed and passing other motorists before failing to negotiate a turn. The vehicle came to rest upside down in a nearby field.

Early reports indicated the driver was out of the vehicle and walking around following the crash.

Southwestern Montana News arrived on scene as a Life Flight helicopter was preparing to land. The highway was shut down for nearly an hour while crews secured the scene and airlifted the patient.

The Montana Highway Patrol is reporting the crash involved injuries. No additional details have been released at this time.

This is a developing story and will be updated as more information becomes available.

Community Invited to Birch Creek Open House on May 2

The University of Montana Western will host an open house on Saturday, May 2, from 1:00 to 4:00 p.m. at the Bender Center at Birch Creek.

The open house offers the campus and surrounding community an opportunity to gather and celebrate the start of a new season at Birch Creek. Attendees will also get a first look at newly completed murals designed and painted by students in classes led by Professor Michael Barrett.

The murals are the result of a collaborative effort between students in Global Visual Culture and 2D Fundamentals courses. Students in the Global Visual Culture course developed concepts inspired by the landscape, its inhabitants, and the history of the area. Those ideas were then brought to life by 2D Fundamentals students as large-scale, colorful murals that reflect both detailed observation and creative interpretation.

Student artists will be available from 1:00 to 2:00 p.m. to discuss their work, share insight into the creative process, and answer questions about the mural project.

In addition to the murals, visitors will notice newly installed window coverings throughout the Bender Center. These were hand-sewn by students in the 2D Fundamentals course and reflect the theme of nostalgia, drawing on experiences connected to camps, cabins, and the outdoors. The red-and-white checkered pattern is intended to evoke familiar images of picnic blankets and summer gatherings.

Originally constructed in 1935 as a Civilian Conservation Corps (CCC) camp, the Birch Creek Center has a long history tied to outdoor education and community engagement. Since 1985, the University of Montana Western has operated the Bender Center, which now serves as a rustic setting for educational programs, retreats, and experiential learning opportunities.

The Birch Creek Center is located approximately 20 miles northwest of Dillon. Visitors can take Apex Exit 74 and follow the Birch Creek gravel road for 7.5 miles to the Education Center turnoff. Parking may be required at the turnoff depending on road conditions, with a short walk into the Center.

The event is free and open to the public. For more information, please contact Estee Aiken at estee.aiken@umwestern.edu.

To learn more about the Birch Creek Center, visit umwestern.edu/info/birch-creek-center.

Tackett's four-hits lifts Beavers past Columbus in a thriller

Jeremy Crawford, Southwestern Montana News

The Beaverhead County Beavers used a late surge to edge Columbus 6-5 on Tuesday, highlighted by a standout performance from Sawyer Tackett.

Tackett went a perfect 4-for-4 at the plate, including a go-ahead solo home run in the top of the seventh inning. He also doubled twice and singled, accounting for four of the Beavers' 12 hits.

Beaverhead County struck first in the opening inning when Trenton Moreni singled to bring home a run. Columbus answered quickly, tying the game after Kolemen Gairrett was hit by a pitch with the bases loaded.

The Cougars took the lead in the second inning on a sacrifice fly by Trystan Knight and added another run on an error to go up 3-1.

The Beavers responded in the fifth, taking a 4-3 lead after Cohen Hartman singled, Moreni drove in a run on a groundout, and Jase Alvarez doubled home another. Columbus answered again in the bottom half, tying the game at four after Graycen Waltner was hit by a pitch.

In the seventh, Tackett broke the tie with his solo shot to left field. Moreni followed with a sacrifice fly to add an insurance run, which proved to be the difference. Andrew Bartlome earned the win in relief, allowing one run on one hit over two innings while striking out two. Garrett Tackett started for Beaverhead County, striking out five over three innings. Will Hansen also saw time in relief. Moreni led the Beavers with three RBIs, while Hartman and Alvarez each recorded multiple hits.

Jensen drives in four as Lady Beavers outslug Butte Central

The Beaverhead County Lady Beavers broke open a tight game with a big fifth inning and rode a 19-hit performance to a 17-9 win over Butte Central Catholic on Tuesday.

Reese Jensen led the way at the plate, driving in four runs on three hits. She doubled in two runs in the sixth inning, singled home a run in the second, and added a sacrifice fly in the fifth.

Butte Central struck first in the top of the opening inning, taking advantage of an error and an RBI single from Kodee Badovinac to go up 3-0. The Lady Beavers answered quickly in the bottom half, as Lilla Guiberson singled down the right field line and a passed ball helped bring in four runs to take a 4-3 lead. After Jensen extended the lead to 5-3 in the second, Butte Central regained control in the third inning, pushing across three runs to take

a 6-5 advantage.

Beaverhead County responded with its biggest inning of the game in the fifth, scoring six runs on six hits to take a 13-8 lead. Tymber Barnes delivered the key hit with a two-run triple as the Lady Beavers seized momentum for good. Barnes earned the win in the circle, allowing four runs — none earned — over 4 $\frac{2}{3}$ innings while striking out eight. Mya Creighton came on in relief to help secure the victory.

The Lady Beavers' offense stayed hot throughout, piling up 19 hits. Jensen, Guiberson, and Creighton each recorded three hits, while Ashlyn Burk, Kennndl Meine, Bridget Lovaas, and Kaitlyn Konen all added multiple-hit performances.

Prescribed burns shift to Clark Canyon area after successful treatments in East Pioneers

Following significant progress over the last several weeks on prescribed burns across the East Pioneers landscape, operations will shift south into three remaining units located in the Red Rock watershed near Clark Canyon Reservoir this week.

Firefighters plan to burn about 1300 acres in the area, pending favorable conditions. Smoke may be visible from Interstate 15 near the Clark Canyon area.

The burns are carried out in partnership with the U.S. Wildland Fire Service, U.S. Forest Service, and the Montana Department of Natural Resources and Conservation.

For more information about the planned prescribed burns, contact the BLM Dillon Field Office at 406-682-4082.

Veteran's Corner Update #561
 By Mike Lawson

Veteran News Updates:

- May and June will see many of our Veteran organizations having their state conventions and Montana is no different. This is always a good time to come together to discuss and address issues for our common good, both locally and nationally. Having a voice is one of our fundamental rights as Americans. Our political power in addressing Veteran issues cannot not be overstated enough. When Veterans are united, Veteran needs are addressed politically and many helpful programs/laws are instituted, like the "Pact Act" for example. If you're a veteran, please consider joining one of our Veteran Organizations and help make a difference.
- I've received care from the VA Health-Care System for over 25 years and am a fierce advocate in support of it. It's not perfect but, in my opinion, there's nothing better out there. Recently I read the following statistics and was not surprised. A record 82% percent of Veterans now trust the VA to deliver on it's promises, and more than 93% of Veterans say they trust the VA for their health care needs. Since May 2016, the VA has received more than 17.8 million Veteran Survey responses. This quarter alone over 4.8 million Veterans received VA health care, 19.2 million in-person appointments and 7.4 million tele health or telephone appointments. 14.5 million calls were answered across VA Contact centers. The Veterans Crisis Line received over 292,000 calls (Dial 988, then press 1) and 45,500 calls were made to the National Call Center for Homeless Veterans.. Nearly 750,000 disability and pension claims, over 1 million education and supplemental claims, and about 170,900 home loan guarantees were processed. Put Veterans First is the VA's motto. To get help or learn more visit VA.gov and download the VA.gov/welcome-kit, or call 800-MyVA411 (800-698-2411) at any time, day or night.
- The VA recently brought an immediate end to reporting Veterans to the Federal Bureau of Investigation's National Instant Criminal Background Check System as "prohibited persons" only because they need help from a fiduciary in managing their VA Benefits. This has been a decades-old wrong and this change protects Veteran's Second Amendment rights. I applaud this long overdue change.

BEAVERHEAD COUNTY ELECTION ASSISTANT/DEPUTY CLERK

POSITION: Election Assistant/Deputy Clerk

DEPARTMENT: Election Office/Clerk & Recorder's Office

RESPONSIBILITIES: The Election Assistant/Deputy Clerk & Recorder is responsible for processing voter registrations, assisting with the preparation for and conduction of elections, the coordination of election judge training, and other duties associated with the election process. The Election Assistant/Deputy Clerk & Recorder will assist in preserving the records of the county, including deeds, mortgages, surveys, birth and death records, and other documents.

Requirements: This position is a multi-faceted role responsible for managing land records, vital records, and the complete cycle of local, state, and federal elections. A candidate must have at least two years of recent professional experience working with the public, demonstrating the ability to provide courteous customer service and maintain professional composure during high-pressure or tense situations.

Technical fluency is a core requirement, specifically a thorough working knowledge of Microsoft Word, Excel, and Outlook, as well as the ability to master specialized software and operate standard office equipment like scanners and high-volume copiers. Because the work involves handling sensitive information and complex legal documents—including Certificates of Survey and Subdivisions—candidates must demonstrate exceptional attention to detail, a strict commitment to confidentiality, and a genuine interest in performing in-depth research. Candidates are required to have education equivalent to a high school diploma; preferred two or more years of college.

Position posted until filled.
