### Beavers Close Out Home Schedule With 9-2 Win, Remain Unbeaten Heading To State

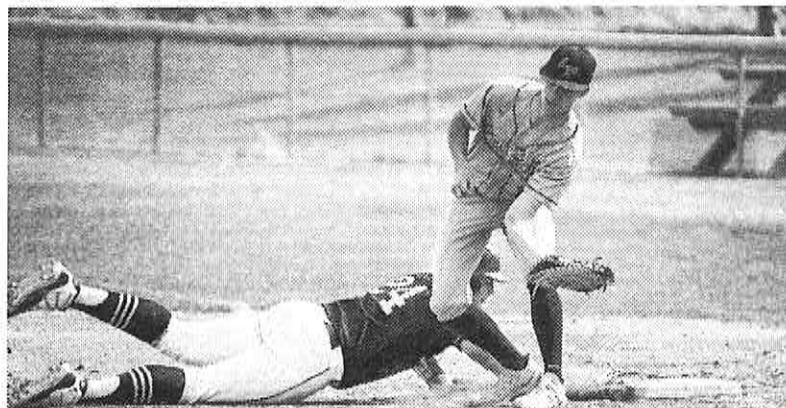

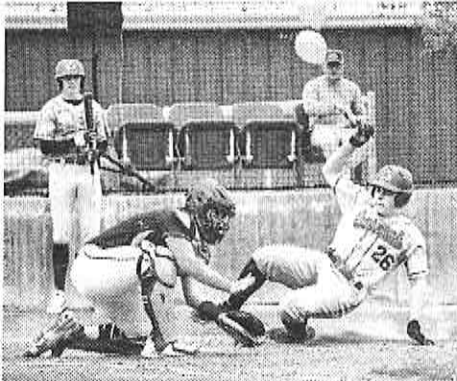

*Jeremy Crawford, Southwestern Montana News*

The Beaverhead County High School Beavers wrapped up their final home game of the season Tuesday night with another victory, defeating the Lone Peak Big Horns 9-2 to improve to an impressive 16-0-1 on the year.

The win caps off a historic regular season for the Beavers, who have already clinched the program's first-ever trip to the state tournament.

Beaverhead County wasted little time taking control of the game, erupting for seven runs in the bottom of the first inning. Cohen Hartman started the scoring with an RBI double before Andrew Bartlome added an RBI single. An error brought home another run, Levi Stonebraker followed with an RBI single, Tristan Alvarez added a sacrifice fly, and Sawyer Tackett capped the inning with a two-run single.

Tackett led the offensive attack, collecting three hits in four at bats. He tripled and singled in the opening inning before

adding another hit in the sixth.

Hartman earned the win on the mound, allowing one hit and two runs, one earned, over three and one-third innings while striking out five. Stonebraker was strong in relief, tossing three and two-thirds shutout innings while allowing just two hits and striking out four.

The Beavers continued to pressure Lone Peak on the base paths, stealing eight bases in the contest. Tackett accounted for three of those stolen bases.

Tristan Alvarez, Andrew Bartlome, Kanin Engelhardt, Cohen Hartman, Levi Stonebraker, and Sawyer Tackett each drove in a run for Beaverhead County.

For Lone Peak, Steen Mitchell went 2-for-2 at the plate and led the Big Horns with one RBI.

The Beavers now turn their attention to the postseason as they prepare for the state tournament with an unbeaten record of 16 wins, no losses, and one tie.

## MSU Strategic Plan Listening Session in Dillon

Last year Montana State University hired a new president, Dr. Brock Tessman, and with a new president comes a new strategic plan. Extension has been tasked with hosting local listening sessions to gather input from communities across Montana. This plan will not only effect what happens on campus in Bozeman, but also the direction of Extension across the state. Additionally, we are going to use this listening session as an opportunity for a local Extension needs assessment. What do the citizens of Beaverhead County want from Extension? This will inform us as we plan future programs and services.

The listening session in Dillon will be held on June 2nd at 7pm in the 4-H Building at the fairgrounds. Everyone is welcome to attend.

### FWP names Kim Diment winner of the 2026 Migratory Bird Stamp contest

Picture a drake and hen northern shoveler as they float peacefully on a pond. It's hard not to admire their tranquility, and it's hard not to notice the uniqueness of their bills. Also known as spoonbills, these dabbling ducks often stop in Montana to breed during their long migration through the central and western parts of the U.S.

Artist Kim Diment captured this scene perfectly in her prize-winning entry in the 2026 Montana Migratory Bird Stamp art contest. Diment's artwork was among the 60 submissions for this year's contest. She is a Northern Michigan artist

who describes her work as "capturing the personality and spirit of the animals she portrays."

Montana Fish, Wildlife & Parks launched the Migratory Bird Stamp contest in 2024 to raise awareness and appreciation of wetlands conservation and the benefits of intact wetlands for people and wildlife. The Montana Wetlands Protection Advisory Council selected the winner of this year's contest.

Wetlands are critical for many wildlife and aquatic species. They also provide critical ecosystem functions like flood control, groundwater recharge and water purification. FWP's Migratory Bird Wetland Program helps landowners and other conservation partners develop and fund projects that protect, conserve, enhance or create high-quality wetland habitat.

Migratory bird license buyers will receive a follow-up email from FWP with instructions to opt in to receive a free sticker sheet of the winning artwork. The sticker sheet is currently in preproduction and will be sent out this summer. People who want to support wetland conservation but don't hunt can pre-purchase a sticker sheet through the Montana Audubon website.

For winning the 2026 Migratory Bird Stamp contest, Diment receives a \$2,000 prize paid for by contributions from Montana's Outdoor Legacy Foundation and Montana Audubon.

**Grass Fire North of Dillon Causes Power Outages**

*Jeremy Crawford, Southwestern Montana News*

Tuesday afternoon the Dillon Volunteer Fire Department responded to a field fire burning in a grass field north of Dillon, near Highway 41 North and Airport Road.

The fire also caused power outages along Overland Road and in areas northeast of Dillon. When firefighters arrived on the scene, approximately 2.5 acres were already burning. Crews worked quickly to contain the blaze and stopped the fire at around 3 acres.

At this time, the cause of the fire remains unknown and is under investigation.

### Letter to the Editor

#### Rebuttal to HB 9

Recent flyers and political ads circulating in our community are making entirely false claims about my funding decisions and my priorities, particularly regarding House Bill 9 in both the 2023 and 2025 legislative sessions. Montanans deserve the truth.

House Bill 9 (HB 9) is a standard recurring bill introduced every biennium. Its official title is the Cultural and Aesthetic Grants bill, and it has existed for decades under both Republican and Democratic administrations. HB 9 allocates funding to historical preservation, museums, and local community arts programs across Montana.

These grants do not use general taxpayer income or property taxes. They are funded through the Cultural and Aesthetic Projects Trust Fund, which receives a portion of the interest from Montana's coal severance taxes — a dedicated, longstanding revenue source.

Typical recipients include Preserve Montana, local historical societies, museums such as the C.M. Russell Museum and the Mai Wah Society Museum, Montana Shakespeare in the Parks, youth symphonies, community theaters, and a recurring \$30,000 appropriation to the Montana Historical Society for the care of historic artwork in the Capitol.

Every grant is administered through strict legal contracts by the Montana Arts Council, and every recipient is required by law to publicly disclose the funding source. Claims that HB 9 funds DEI programs, sexually explicit materials for children, or organizations promoting gender transition procedures for minors are simply untrue. HB 9 is part of the Governor's budget and is vetted by his Budget and Policy Department.

The real question Montanans should be asking is: Who is paying for these attack ads, and why? The flyers filling mailboxes and social media feeds are funded by out of state dark money PACs with no connection to our communities. These groups are spending heavily to influence local races and "buy" candidates who will answer to them rather than to the people who actually live here. When you follow the money, the picture becomes clear — these attacks are not about policy, truth, or Montana values. They are about power.

My convictions and priorities remain unchanged. I will continue to take the high road, focus on my work, and serve the people of House District 69 with integrity, respect, and an unwavering commitment to the truth.

Representative Ken Walsh, HD 69

**Veteran's Corner Update #565**

By Mike Lawson

This coming week-end ends with Memorial Day on Monday. Across the country at our National and State Veteran cemeteries or any cemetery where Veterans are buried, an amazing event takes place. Veterans, youth organizations and many other volunteers come together to put American Flags on our Veteran's graves. Memorial Day is on Monday, so most of us will be doing the placing on Saturday and they will remain in place until Tuesday when we then pick up all the flags. In Butte this is headed up by the VFW Post #1448. On Saturday when all the flags are placed, the VFW will buy pizzas for the volunteers at MacKenzie River Pizza. We can really use any of you who can give us a hand.

Being the Montana DAV Department Transportation Chairman, has given me the opportunity to visit the DAV Van Local Area Coordinators who coordinate getting Veterans Van rides to their VA approved medical appointments. Our vast state of Montana is the 4th largest state of our country. It has been enlightening for me to see these different parts of the state and realize the distance between places and the challenge, at times, made by our volunteer drivers to pick up some of our veterans, get them to their medical appointments and then get them back home. Most of our highways are two lane and the riders are seeing beautiful country, which is a gift in itself, but the driver has to be alert and drive safely. It is gratifying to know that those of us on the DAV Van team, are working together, and making a difference in helping veterans have a better quality of life in receiving the medical care they need. I'm proud of this program and all the volunteers who make it happen. If any of you would like to be part of it, please call me at 406-560-3591.

Our Women Veterans are sometimes not appreciated enough. I have two daughters who were in the Air Force and are being treated service-connected disabilities that happened while they served. I'm thankful their issues were diagnosed and are being treated. Many women Veterans are having issues and don't realize that certain conditions are underreported, misunderstood, or simply not claimed. There are 6 VA disability conditions that women veterans often overlook. They are: 1) Female Sexual Arousal Disorder (FSAD) (2) Pelvic floor dysfunction (3) Urinary incontinence (4) Hysterectomy residuals (5) Endometriosis (6) Breast cancer residuals. For you who are women veterans and have any one of these conditions, please get checked and see if they're service-connected. It's important

### The Dillon Friends of Music announce the recipients of six scholarships

The Dillon Friends of Music is pleased to announce the recipients of six \$500 scholarships presented to graduating seniors who have participated in the Beaverhead County High School music program.

The Hagenbarth Scholarship is awarded to a student continuing either vocal or instrumental music instruction in college. This year's winner, Hunter Wigen, will be pursuing a degree in physics at Oregon State University with a music minor. Hunter is an excellent trombone and piano player.

Sheridan Ferguson, Emma Lovaas, and Christopher Valach each received a Wheeler Vocal Scholarship award for students with an emphasis on vocal music. Sheridan will be singing at Whitworth College in Spokane, WA. St. Olaf College in Northfield, MN, is known for its choral excellence and is Emma's choice for music education. Christoher Valach will attend the University of Montana in Missoula and plans to sing in the choir.

The Dillon Friends of Music organization recognizes the contributions of students who may not be studying music beyond high school but have made significant contributions to the music program at Beaverhead County High School. Rowdy Mattison plans to study Radiologic Technology at Idaho State University. He will also be a member of the marching band and Wind Ensemble. Ms. Regan will attend the University of Montana as a Biology major and hopes to play in one of the instrumental groups while there.

One applicant stated "In my sophomore year I joined the Butte Symphony Orchestra with my mom who plays violin. It was here that I really understood the power of music for those of all ages.....hard work was directly related to my outcomes. The work ethic I formed will be instrumental to my success in college."

The Dillon Friends of Music is a 501(c)(3) nonprofit organization founded to enhance and support music education in the public schools of Beaverhead County.

BEAVERHEAD COUNTY GIS COORDINATOR

POSITION: GIS Coordinator / Program Coordinator

DEPARTMENT: GIS

RESPONSIBILITIES: This role is ideal for a professional with a broad knowledge of GIS applications in local government and a thorough understanding of related computer hardware and software systems.

The successful candidate will lead and direct technical project teams, supervise staff, and manage the annual operating budget for the GIS department. Key duties include supporting the state-wide transition from E9-1-1 to NG9-1-1, managing Census Bureau data projects, and negotiating GIS grants and service contracts. You will be expected to evaluate and adopt new technologies to ensure the county provides high-quality services in a rapidly changing environment.

Requirements: Bachelor degree in geosciences, geomatics, engineering, surveying, the natural sciences, computer science, or related field.

- **Skills:** Strong management, analytical, and technical skills are essential, along with the ability to communicate effectively and maintain professional working relationships.
- **Experience:** Proven ability to prepare project planning documents, contract proposals, and budgets.

Position posted until filled.

For application materials and a detailed job description, visit:
