## Dr. John B. McCollum

November 13, 1936 – 2026

Dr. John B. McCollum, beloved husband, father, grandfather, and friend, passed away recently at the age of 89. Born on November 13, 1936, in Dillon, Montana — a town he loved with his whole heart — John lived a life full of purpose, laughter, and deep devotion to family and community.

John was a standout young man from the very beginning. At Beaverhead County High School, he served as Student Body President, excelled as the team's quarterback, earned the rank of Eagle Scout, and left a lasting legacy on the track and field program, holding records in the 100-meter and 200-meter dash for years to come.

His athletic talents carried him to Western Montana College, where he continued to compete in track and field. With a clear vision for his future, John transferred to Montana State University to pursue his dream of becoming a dentist, later completing his Dental degree at the University of Washington. Upon graduating, he proudly served his country in the United States Air Force, stationed in Fairbanks, Alaska, where he served as dentist

to the elite U-2 pilots — a distinction he carried with quiet pride.

On June 17, 1967, John married the love of his life, Nancy C. Salstrom, beginning a partnership and love story that anchored everything that followed.

John built his life and career back in his beloved Dillon, where he became a trusted and cherished dentist to countless patients over the decades. He was a devoted member of the Presbyterian Church, a loyal supporter of State Bank, and a proud champion of all things Beaverhead County.

A Montana Man Through and Through

If John McCollum loved anything as deeply as his family, it was Montana — and he made sure everyone knew it. To John, Montana was not simply a place on a map; it was the very fabric of who he was. He was shaped by its wide-open skies, its cold clear rivers, its rugged mountains, and the honest, hardworking people who called it home.

He was never more at peace than when he had a fly rod in his hand, drifting the legendary Beaverhead River in a drift boat, taking in every bend and riffle of that beautiful water with the contentment of a man exactly where he belonged. The Beaverhead was his river — he knew its currents, its hatches, and its secrets like an old friend. That love of fly fishing ran so deep that he founded a fly fishing conference for dentists, a uniquely John way of bringing together two of his greatest passions and sharing Montana's magic with colleagues from across the country. He wanted everyone to experience what he had known since boyhood: that there is simply no place on earth quite like Montana.

He also loved to hunt Montana's hills and valleys, never taking a single season for granted and always respecting the land that gave so much to him.

His pond was a sacred place, where some of his happiest hours were spent teaching his five grandsons to fish — passing on a love of the water and the land that had defined his own life since childhood.

He loved showing Dillon off to anyone who would visit, acting as the town's most enthusiastic ambassador with a pride that never dimmed. To John, Dillon was not just his hometown — it was the finest place in the finest state in the Union, and he would make sure you agreed before the day was done. He cherished BCHS, Western Montana College, and the generations of friends and neighbors who made Dillon the community it is.

Beyond Montana, John also had a deep love for Sun Valley, Idaho. In 1971 he purchased a condo there, beginning a lifelong connection to that special place. Sun Valley brought him great joy — it was where he met wonderful new friends and had the pleasure of reconnecting with cherished companions from his days at the University of Washington. Sun Valley, much like Dillon, had a way of bringing out the very best in John McCollum.

Montana shaped John McCollum, and John McCollum shaped a small but meaningful corner of Montana. The Beaverhead will keep running, the mountains will keep standing, and those who knew him will feel his spirit every time the wind moves through the big sky he loved so well.

Nothing brought John more joy than his family. He was immensely proud of his two daughters, Missy and Mindy, and equally proud of the men they married — son-in-laws Christopher Grathwohl and Steve Slovick. After a lifetime surrounded by wonderful women, John was utterly blessed with five grandsons: Cutter, Frederick, and Pierce (Missy and Chris's boys), and Stratton and Sterling (Mindy and Steve's boys). Teaching those boys to fish on his pond was among his greatest pleasures in life.

John was a man of warmth, wit, and an endless supply of stories and jokes. He loved shopping with his wife and daughters, and he filled every room he entered with laughter and love. Those who knew him will remember a man who lived fully, loved generously, and never missed a chance to make someone smile.

He is now up in heaven, almost certainly telling jokes to Jesus.

John is survived by his wife Nancy; daughters Missy (Christopher Grathwohl) and Mindy (Steve Slovick); and grandsons Cutter, Frederick, Pierce, Stratton, and Sterling.

## University of Montana Western Selected for Student Co-Design Initiative

The University of Montana Western has been selected as part of the inaugural class of Student Co-Design Teams through Campus Compact. Eight Campus Compact institutions were selected to help develop new models for student voice and shared leadership on campus, within community engagement centers, and through local campus-community partnerships.

Campus Compact is thrilled to announce that the University of Montana Western will take part in our new Student Co-Design Teams program from now until May 2027. The below Campus Compact member institutions will be awarded \$5,000 in seed money to fund their student voice and leadership initiatives:

- University of Montana Western
- Utah Valley University
- University of Virginia
- University of Pittsburgh
- University of Colorado Boulder
- Pacific University
- Mercer University
- Bates College

Campus Compact knows student leadership and voice are central pillars to effective civic engagement work, campus culture, and community relationships, but we know too many barriers (time, money, support) prevent innovative ideas from staff and students about embedding student leadership and voice from coming to fruition. Campus Compact wants to change that. Based on visioning from our Student Design Fellows cohort—a two-year fellowship designed to empower students and revolutionize civic leadership development—the Student Co-Design Team initiative was created to offer guidance for institutions that would like to implement student engagement strategies developed by student-led teams. Each Co-Design Team selected has at minimum a 1:1 student-to-staff/faculty ratio on their co-design teams, and students are the leaders and equal decision-makers alongside faculty, administration, and staff from the very start of the process.

“Campus Compact is thrilled to continue to elevate student voice on the national stage through our inaugural Student Co-Design Teams. Building off the proven Student Design Fellows model, these eight institutions are led by brilliant students and dedicated staff working as equal partners to invent, reimagine, or scale best practices in student voice and civic engagement,” said Will Brummett, Director of Student Engagement.

"These selected institutions reflect the institutional and regional diversity and perspectives that make Campus Compact strong. We are immensely proud to support these innovative teams as they create sustainable, student-led models that will impact our campuses and communities for years to come."

The team at the University of Montana Western will consist of Arica Crootof, Michelle Anderson, Ted Montalvo, and Shayla Cluff. Of their project, the team explains:

"Our team will co-design a governance model for the Land, Water, and Sky (LWS) Center at the University of Montana Western that integrates undergraduate students into decision-making. With this funding, we are compensating student leaders to design pathways for student voices into curriculum, community partnerships, and Center priorities. We aim to offer a model of shared governance and lessons learned that can be adapted to other university centers, hubs, and institutes across the country. We feel these outcomes will be particularly relevant for public primarily undergraduate institutions (PUI's) embedded in rural communities such as our own."

The eight selected campuses will be provided with Campus Compact staff support (Director, Student Engagement) and will attend monthly meetings with the other Co-Design Teams to share best practices, learn from each other, and capture shared insights.

Thanks to the support of Lumina Foundation, these selected Campus Compact institutions are now able to seed, grow, and launch similar student-voice initiatives on their campuses and create replicable models that can scale across our national network. Campus Compact's goal is to continue to expand student leadership and voice by growing the student-led design model across member campuses nationwide.

## Veteran's Corner Update #566

By Mike Lawson

Many people are out camping and enjoying recreation in the mountains, on our beautiful lakes, rivers and campgrounds. I would hope that they would stop and realize what Memorial Day is about. I read a good article on the history of Memorial Day. It's a day of remembrance for those who died in service to their country. The holiday was officially proclaimed in 1868 to honor Union and Confederate soldiers and was expanded after World War I to honor those who died in all wars. Today, Memorial Day honors over 1 million men and women who have died in military service since the Civil War.

It's a Time to Honor, Morn — Veterans who served by decade:

- 1860 Civil War - 3.3 million served - 500,000+ died
- 1860 U.S. population - 38.6 million.
- 1880 U.S. population - 50.2 million
- 1890 U.S. population - 63 million
- Spanish American War (1898): 306,760 served/2,446 died
- 1910 U.S. population - 92.2 million
- World War I (1917-1918): 4.7 million served/116,516 died
- 1930 U.S. population 123.2 million
- World War II (1941-1946): 161 million served/405,399 died
- Korean War (1950-1955): 5.7 million served/54,246 died
- Vietnam Era (1964-1975): 8.7 served/90,220 died
- 1980 U.S. population - 226.5 million
- Gulf War Era (1990-2001): 5.6 million served/13,104 died
- Post 9/11 Era (2001-now): 7.2 million served/25,150 died
- 2020 U.S. population - 331.4 million

It sobering to realize that the number of Veterans who have died in service to our country, from the Civil War until now is at 1,207,081. They gave the ultimate sacrifice and must never be forgotten or taken for granted. Our country and the freedom we enjoy is because of them and all veterans who have served.

The American Flag: Thirteen folds - 2.3 pounds - measurable in ounces - but to those left behind - it's heavier than the world.

Until next time, take care.

Adventures in After School Program

This program starts September 3rd and gives participants a more in depth programming while giving parents flexibility to fit work schedules. Children will ride the bus to the Y, have a snack, and then be involved in the camp offered for that week. You may sign up for a week or the month, it's up to you. Children in K-5th grade are eligible to join. Camp will end at 5:30pm each day.

AFTER SCHOOL REGISTRATION IS NOW OPEN!

This week in the After School Series (Apr. 18th-May 22nd) is "National Police Week." Children we will learn about our heroes in uniform.

Fun in the Sun Day Camp

These are all day camps for children entering Kindergarten through 7th grade for the 2026-27 school year. The children are engaged in fun, active, and intellectual games and activities throughout the day. Classes that help prevent summer learning loss. Each week the children will explore a theme and towards the end of the week, they will take a field trip to further enhance that theme. This is a spectacular opportunity provided by your local YMCA. Sign ups start May 1st make sure you reserve your child's spot today and be guaranteed a spot!

Dueling Pianos

A huge thank you to everyone who supported our first annual Strong Family fundraiser. Your generosity and community spirit made for an unforgettable evening of music and fun. The profits will benefit many of our less fortunate children, families, and seniors.

Summer Speed & Agility Clinic

Clinic is coached by Eli Nourse and is for 3rd-12th graders. Starts June 1st on Mondays and Wednesdays from 6:00pm-7:00pm. Location is on UM Western campus.

Mens Basketball League

Mondays, Wednesdays & Fridays 6:00am-7:00am. Members free and all others \$8.00/day.

YMCA Online Registration

Online registration for programs available now. Please visit [www.swmtf-ymca.org](http://www.swmtf-ymca.org)

### Dillon Lions Club Annual Live Lobster Fundraiser

The Dillon Lions Club is again holding its annual spring sale of fresh, delicious Atlantic lobster! The money generated by this lobster sale is the primary source the club uses to fund the many local community service projects it's involved with. As an example, the Dillon Lions Club offers vision screening for the students in every school in Beaverhead County, including each class of Youth Challenge Cadets. Another example would be the scholarship the club provides each year to a deserving Beaverhead County High School senior.

If you'd like to order one or more of these live Maine lobsters, please have your order form and payment to us by Monday, June 8, at the very latest. These order forms, with more detailed information including price, are available at the Vigilante Electric Cooperative Office near the Beaverhead County Courthouse and at Precision Eye Care and Optical at 25 Johnson Ave. immediately north of Safeway.

The approximately 1.5-pound lobsters are caught, cold packed, and flown out to arrive fresh on Saturday, June 13. And as many a club member working the sale can attest from experience, the lobsters arrive very much alive and very feisty!

You can pick up your live lobsters on Saturday, June 13, between 1:00 and 3:30 P.M. at the Vigilante Electric Cooperative parking lot across from the courthouse main entrance. And if you'd like, Lions Club members will even cook them there on the spot for you to take home at no extra charge!

### At the Y,

### It's about more than sports and working out

It's about strengthening communities

That's why we are reducing the joining fee all month at the YMCA. You pay for the day you join. For example, if you join on May 10th, you pay a \$10.00 joining fee. Join on the 20th day of May and pay a \$20.00 joining fee, etc. *Sooner you join, the more you will save.*

*Offer expires May 31, 2026.*

## BEAVERHEAD COUNTY GIS COORDINATOR

**POSITION:** GIS Coordinator / Program Coordinator

**DEPARTMENT:** GIS

**RESPONSIBILITIES:** This role is ideal for a professional with a broad knowledge of GIS applications in local government and a thorough understanding of related computer hardware and software systems.

The successful candidate will lead and direct technical project teams, supervise staff, and manage the annual operating budget for the GIS department. Key duties include supporting the state-wide transition from E9-1-1 to NG9-1-1, managing Census Bureau data projects, and negotiating GIS grants and service contracts. You will be expected to evaluate and adopt new technologies to ensure the county provides high-quality services in a rapidly changing environment.

**Requirements:** Bachelor degree in geosciences, geomatics, engineering, surveying, the natural sciences, computer science, or related field

- **Skills:** Strong management, analytical, and technical skills are essential, along with the ability to communicate effectively and maintain professional working relationships.
- **Experience:** Proven ability to prepare project planning documents, contract proposals, and budgets.

Position posted until filled.
